

Being a column in which the publisher just "blows off the steam."

By Willard Jones

A HAMLIN MAN was leading a handsome Boxer dog on a new leash when he met up with a friend.

"Look, Archie, what I got for my wife this morning."

Archie gazed in immeasurable admiration. "Gosh, you have all the luck! Wish I could make a trade like that."

SMALL BOYS are the cause of a lot of anxiety, grief and joy.

Do you know why doughnuts have holes in the middle? It all came about because of a boy.

His name was Hanson Gregory, and he lived in New England in the early days. His mother made cookies for him and fried them in grease. He loved to eat them, but his hands got very greasy when he handled them, and he noticed that the center of the cookie was not cooked like the other part. The center was soft and doughy and uncooked.

He suggested to his mother that she just cut a hole in the center of the cookies before cooking them, and then all of the cookies would be nicely cooked. She did so, and soon the neighbors all cooked their cookies with the hole in the center.

And this is how the hole came to be in the doughnut.

SPEAKING of vacations, a woman in Hamlin who has been looking over the vacation spots and their estimated costs has come to this conclusion:

The only spot I can afford is one where I'll get room and board!

QUOTES from great men are the signposts that help to make today's highway easier. Things do not change; we change.—Thoreau.

When I play with my cat, who knows whether I do not make her more sport than she makes me?—Montaigne.

If anything is sacred the human body is sacred.—Walt Whitman.

The American people never carry an umbrella. They prepare to walk in eternal sunshine.—Alfred E. Smith.

Culture is "to know the best that has been said and thought in the world."—Matthew Arnold.

My creed is this: Happiness is the only good. The place to be happy is here. The time to be happy is now. The way to be happy is to make others so.—Robert Ingersoll.

LITTLE JANE came late to school the other morning, and the dotting teacher demanded an explanation.

Jane replied, "Dr. Smith just brought us a new baby this morning."

Just then little Jack raised his hand and said, "Teacher, we take from him, too!"

A SIGN in a Western town reveals some pungent statistics. It reads:

"4,029 people died of gas in this state last year. Two inhaled it; 27 put a lighted match to it; and 4,000 stepped on it!"

PURGENT is a good descriptive adjective for the saucy little paragraphs included in the daily "Barbs" column by Hal Cochran in The Fort Worth Press which we have quoted from time to time. Here are a new bunch of the quips:

Somebody should invent a bed with a comptometer for counting sheep.

All that a wallflower needs to blossom out at a dance is some sun.

We'll bet that moths are having just as good a time in your winter clothes as you're having in your summer ones.

The theft of four bathtubs in an Illinois city was the first instance of the underworld beating the police to a clean-up.

DAFFYNITIONS of modern living might include the following:

Social Poise: Being ill at ease naturally.

Wedding: A time when a man loses control over himself.

Psychologist: A man who watches everybody else when a pretty girl enters the room.

INDIANOLA SURVIVOR—George E. Hamlin Schools Show Gain in Enrollment Over Last Year

Other Students Will Add to List, Declares Cook

Enrollment is up in the Hamlin Schools slightly from the same period last year, in contrast to figures from other schools of the county, according to tabulations made this week by school officials.

Stamford, incidentally is hiring four less teachers this year because of a decrease in scholastics, and The Herald understands Anson also has a decrease in number of students.

Enrollment for the start of the Hamlin schools has been good so far, reports Superintendent of Schools C. F. Cook.

"We are expecting several more students to start who live in our community who have not enrolled," said Cook this week.

Tabulations show that a net gain of students in the Hamlin School system totals 27 over last year's enrollment at this time.

By schools and grades the enrollments look like this:

Primary School—First grade, 81; second grade, 83; third grade, 75—total of 242; down 10 from this time last year.

Elementary School—Fourth grade, 90; fifth grade, 80—total 170; up five from last year.

Junior High School—Sixth grade, 84; seventh grade, 75; eighth grade, 68—total 227; up 11 from last year.

High School—Ninth grade, 66; tenth grade, 61; eleventh grade, 64; twelfth grade, 42—total 233; down one from last year.

DePriest Colored School—Total enrollment 184; up 22 from last year.

Lions Club to Stage Broom Sale for Blind

Hamlin Lions Club will again this year conduct a "Caravan of the Blind" broom sale on Wednesday, October 9, it was announced by officials of the local club this week.

Stanley Carmichael and W. C. (Ted) Russell have been named captains of two competing teams for the sale. The brooms, mops and other articles are made by blind or others with deficient eyesight, and proceeds from the sale will go to the Lions Club blind fund, which is used to purchase glasses for children of the community with deficient eyesight.

DISTRICT GOVERNOR for Rotary Clubs of this section, W. Truett Walton (above), was a guest Tuesday evening and Wednesday of Hamlin Rotary Club. The local club had 100 per cent attendance to greet the official at the Wednesday noon luncheon.

10 New Students Enroll Recently At High School

Ten new students have been enrolled at Hamlin High School. B. V. Newberry, high school principal, reports this week. By the various classifications, they are:

Seniors—Barbara Sue Bell from Denver City, daughter of C. N. Bell, who is with the Shell Pipeline Company; Kline Irvine from Jacksboro, son of C. H. Irvine, who is with the Western Auto Store.

Juniors—Charles R. Bennett from Arlington, son of J. T. Bennett, who is employed by an oil company; Laretha Hill from Laredo, staying with J. F. Weaver, who is employed by Celotex.

Sophomores—Frances M. Howard from Mineola, daughter of A. F. Howard, employed as a body repair man; Eva Jo Chrane from Abilene, wife of B. K. Chrane, who is employed as a bookkeeper with Hamlin Oil Well Service Company.

Freshmen—Phil Smith from Wichita Falls, son of P. E. Smith, with the Shell Pipeline Company; Montie Wade from Sweetwater, daughter of Auldson Wade, owner of Wade Implement Company, and Mrs. Wade is a teacher in Hamlin High School; Jane Taylor from Stamford, staying with Mrs. Sam Terrell; Daria Harkey from California, daughter of A. E. Harkey, with Continental Oil Company.

Deadline for Gas Tax Refund Nears Farmers Warned

October 1 is the deadline for farmers to file an application for the three-cents-per-gallon federal gas tax refund, according to Bill Lehmborg, county agent, and Ray Walker, junior extension agent.

You may apply for a refund of the federal taxes you paid on gasoline used in the 12-month period ending June 30, 1957.

To be eligible for a tax refund on your purchases of gasoline, you must be the owner, tenant or operator of the farm. No tax refunds are allowed on gasoline used off the farm, or in processing, packaging, freezing or canning operations. However, you may claim a tax refund on gasoline used on your farm by a neighbor or custom operator who performs farming operations for you.

It's an easy job to file your application for refund on the simple Form 2240 furnished by the Internal Revenue Service. All you need to show on this form is your name, address, gallons of gasoline purchased and used for farming purposes, and the amount of refund you are requesting. Then sign the form and mail it to the District Director of Internal Revenue Service, Dallas, Texas.

These forms are available at your county agent's office, says Lehmborg.

Fund Drive for Camp Fire Girls Slated Next Week

Annual financial drive for the Hamlin Camp Fire Council, sponsor of the Camp Fire Girls in the area, will be conducted next week, it was announced Tuesday by officials of the council.

A concerted canvass will be made by solicitors next Tuesday and Wednesday. Cliff Reynolds Jr. is campaign director.

Business men will make solicitations in the business section, and mothers and other women interested in the movement will make house-to-house calls in the residential area, it is announced.

Reynolds says that there are now more than 115 girls in the various sections of the Camp Fire Girls movement in Hamlin, and others are seeking admittance.

No definite goal has been set for the two-day drive next week. More than 90 per cent of the funds raised in the drive will remain in the community for local activities, maintenance of the Camp Fire Girls hut and other expenditures, Reynolds points out.

Bumper Cotton Crop Looms for Territory

Rotary District Governor Visits Hamlin This Week

Hamlin Rotary Club was to be host yesterday (Wednesday) to W. Truett Walton, governor of the 579th District of Rotary International, who is making his annual visit to each of the 37 Rotary Clubs of this area. He was to address the local club Wednesday at noon and confer with President Gene Prewitt, Secretary John Howard and committee chairmen on Rotary administration and service activities.

Walton is vice president of Hardin-Simmons University, and is a member and past president of the Rotary Club of Abilene. He is also a past president of the Rotary Club at Ranger and was golden anniversary chairman for the 186th District during the governorship of Warren Tayman of Stamford. He was elected as the district governor of Rotary International for the 1957-58 fiscal year at Rotary's forty-eighth convention in Lucerne, Switzerland, last May. He is one of the 249 district governors who serve as representatives of Rotary International and help in supervising the activities of more than 9,400 Rotary Clubs which have a membership of 446,000 business and professional executives in 102 countries throughout the free world.

Wherever Rotary Clubs are organized, President Prewitt asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of Hamlin, because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all peoples of the world.

Each year this world-wide service organization continues to grow in numbers and in strength, President Prewitt added. During the present fiscal year 341 new Rotary Clubs were organized in 41 countries of North, South and Central America, Europe, Asia, Africa and the islands of the Pacific, and six countries were added to Rotary's roster—Cambodia, French Cameroen, French Equatorial Africa, Guadeloupe, Liechtenstein and Uganda.

VISITING RELATIVES.

Mrs. Edith Williamson of Oklahoma City, Oklahoma, arrived in Hamlin last Wednesday to visit with her mother, Mrs. Mattie Bruner, and other relatives.

ANCIENT LIQUOR EXAMINED—Texas Liquor Control Board Officer James E. Dale examines liquor recovered from basement of San Antonio State Hospital. Some of the liquor dates from 1917.

Earl Johnsons Give Scouts Lake Cabin

Mr. and Mrs. Earl Johnson of Hamlin announced the gift this week of their West Lake cabin to the Hamlin Boy Scout organization, according to Weldon Johnson, leader of Boy Scout Troop 43.

The gift includes the cabin, all contents, including beds, chairs, tables, electric refrigerator, electric range, telephone, dishes, silverware, outside lighting, outside picnic tables and steel awning.

Jones County Cotton Insect Situation Has Been Generally Good

The cotton insect situation has been very good in Jones County this summer, according to Ray Walker, junior assistant county agent.

The beneficial insects have, in most cases, sufficiently outnumbered the harmful insects resulting in few farmers having to use controls.

A good example to this situation is that of A. C. Musil of the Cornin community, who is cooperating with the county agent's office on cotton insect control. Musil's farm was checked for the first time in late June. At the time control was recommended to reduce the damage from cutworms.

Since that time his field has been checked periodically by the agent and junior assistant agent. To this time there have not been enough harmful insects of any kind to recommend controls.

First P-TA Meeting of New Year Thursday

First meeting of the Hamlin Parent Teacher Association for the new school year will be held this (Thursday) evening at 7:30 o'clock at the Primary School, it is announced by Mrs. E. D. Perrin, president of the organization.

Members of the Cub Scout packs of Hamlin will provide the entertainment for the evening.

Mrs. Perrin points out that this is a get-acquainted session of the P-TA when parents and members of the faculty will mingle. The public is invited.

Tom Routh to Show New Home Tuesday

Mr. and Mrs. Tom Routh, long time Hamlin area residents, have recently completed a new home in South Hamlin, and they want their friends to inspect the place if they like.

The Rouths will be at home to their friends next Tuesday, September 17, from 7:00 until 9:00 o'clock p. m.

First 1957 Bale Expected from Section Any Day

Cotton crop in the Hamlin section continues to look promising despite lack of rains and some damage from insects. The best crop in the past 10 years is now in prospect, cotton men and others agree.

Most of the cotton in the territory is about three weeks later than usual for this time of year, because of the late rains in May that kept planters out of the fields at normal cotton planting time.

Good boll formations are on most of the cotton in the territory, and with fairly favorable weather persisting during the next several weeks, a bumper crop is predicted. Little cotton has been noted to be opening in the area, however, the first bale of 1957 cotton for the region is expected momentarily. Tuxedo community, east of Hamlin, gained its first two bales first of the week, and Sylvester, southwest of Hamlin, produced a bale over the week-end.

Damage was done to cotton in the immediate Hamlin area Tuesday of last week by a violent hail storm, but scope of the damage was small, centering just south of the city limits.

Several showers of rain, including two last week and some over the week-end, have been of some benefit to the crop.

Silage Field Day Set Friday in Ericksdahl Community for Public

A silage field day will be conducted in the Ericksdahl community on Friday, September 13, beginning at the Bethel Lutheran Church at 9:30 a. m., according to Bill Lehmborg, county agent, and Ray Walker, junior assistant agent.

Dr. Hugo B. Haterius will conduct a short discussion period at the church, which is 7.8 miles east and 2.3 miles south of Stamford on Farm Road 142.

After this the group will move to nearby fields to observe the harvesting and storing of the silage until about 11:30 a. m.

The field day is sponsored by the Jones County Extension Council in cooperation with Haterius & Sons operation.

Commissioners Court Reverses Action And Rehires Trapper on Part Time

Jones County commissioners, meeting in special session last Friday, agreed to continue the employment of an animal trapper, rescinding action taken by the group the previous week in which they had announced the cessation of the position as an economy move.

A delegation of farmers and ranchers appeared before the court, asking that the trapper be replaced. R. M. Wagstaff of Abilene, who runs sheep and goats in the shinnery in the southwest part of the county, recounted for the farmer group how coyotes this year had cost him 25 to 30 head of animals.

Homer Thomas of Lueders was also spokesman for those favoring rehiring of the wolf trapper. He cited figures to show that in this 10-county area 1,276 coyotes and 200 bobcats were killed last year. In Jones County the figures were 115 coyotes and three bobcats. Thomas reminded the court that summer months are not good for trapping and that they are not a good yardstick in determining the cost for eliminating the varmints. Cost had been cited last week by County Judge H. G. Andrews as being too great for the number of animals being eliminated by Charlie Myatt, the trapper.

The court was holding a public hearing on the proposed budget for the new year, calling for total expenditures of \$150,000. The tax rate was reset at 64 cents per \$100 valuation, with 30 cents to go into the general fund, 30 cents into the road and bridge fund, two cents into the jury fund and two cents into the permanent improvement fund.

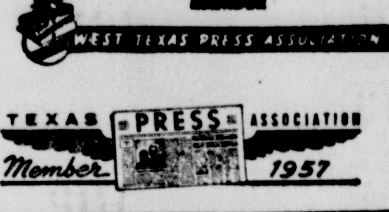

Who's New This Week

Mr. and Mrs. Arden Lockhart of Abilene are announcing the birth of a daughter Saturday at Hendrick Memorial Hospital. She weighed eight pounds six ounces, and has been named Janet Kay. Paternal grandparents are Mr. and Mrs. W. C. Lockhart of Hamlin and maternal grandparents are Mr. and Mrs. J. L. McClendon of Wichita Falls.

NOTABLE CHANGES IN THE POLIO PICTURE

With the introduction of the Salk vaccine into the polio picture this country has undergone a radical change. Since this change has a bearing on the health of your entire family, you ought to know about it.

Here's what has happened in the past few years:

Children from five to nine years old used to be one of the largest group of victims. In 1952 they accounted for 24 per cent of all paralytic cases. By now most of these school youngsters have been vaccinated and the proportion of cases among them is declining. In 1956 it dropped to 16 per cent of all cases. That's the bright side of the polio picture.

Of course, with a decline in one age group there has been a corresponding rise in percentages among other age groups not yet protected by Salk vaccine.

Take pre-school youngsters under five years old, for instance: In 1952 they comprised 23 per cent of paralytic cases. In 1956 the proportion had climbed to 39 per cent. Infants one and two years old had the highest percentages of all. That's why polio authorities

like the National Foundation for Infantile Paralysis urge that they be first on the vaccination list.

The next most vulnerable group in the new polio picture are teen-agers and young adults from 15 to 40 years. In 1952 they comprised 33 per cent of paralytic cases. In 1956 the percentage was 34 per cent. Since polio paralysis is especially disastrous to wage earners in a family, they need protection urgently.

Think these figures over. If your school-age children have been vaccinated, that's fine. But don't forget the other members under 40 in your family, starting with the baby.

The situation in Jones County and Hamlin, too, is changed, since vaccinations have been conducted here, through the Hamlin Memorial Hospital and other agencies. Occurrence of polio has been reduced, and untold suffering and possible loss of life has been averted by the inoculation programs.

Because of the signal success of the campaigns to provide inoculation for children of the area, especially those of the lower grades at school, should be an incentive to continue the program.

Small Town People

The other day we were reading a sports column by Jimmy Cannon, writing from New York, and it praised small town people. We were very much interested in the opinion expressed and agree most heartily.

Cannon noted that some fraudulently sophisticated city slickers lived under the assumption that small town people were to be ridiculed. We have always believed, as Cannon does, apparently that small town people are the backbone of this country.

It is in the average small town or city and in the rural areas that the real strength of this country lies. Of course, the cities have bright lights, many modern conveniences and other new fads, gadgets and entertainments that small town life may not have.

On the other hand, the advent of the automobile, television and modern conveniences powered by electricity have made it possible for those living in small towns and in rural areas to have many of the things which formerly were available only in the cities, and to enjoy the many benefits of non-city life as well.

As to the people themselves, we say that most small town people or rural folks have a sort of dignity of simplicity which is both wholesome and refreshing, and which is one of the characteristic traits of the typical American. The city slicker is not smarter than he is, merely slicker.

Humility Is Important

James McDougall, a young Scotchman and candidate for the ministry, was on his way to the pulpit to preach his first sermon. James had worked hard on that sermon, and he felt it was a good one. He knew he had a good voice, and he was confident of making an excellent impression. As he walked up the aisle and mounted the pulpit steps, the pride in his face and walk was evident to everyone in the church.

Old Robin Malair, the sexton, slowly shook his grizzled head. "I hae me doots o' you laddie," he said to himself. The sexton had seen many a candidate mount those steps, some in pride and some in humility. So now he looked upon the haughtiness of the young candidate with grave concern.

James McDougall made a miserable failure in the pulpit that day. And when his wretchedly delivered sermon was done, he walked slowly down the pulpit steps, head bowed and heart humbled. "Ay, laddie," said old Robin, "if ye ha gone up as ye came down, ye'd come down as ye went up!" The King's Business.

Compliance Plus

The story is about a woman but it well illustrates the difference between people in business who do just as they are told and those who add something to the doing.

A marriage had been arranged by Queen Victoria and the czar of Russia for Princess Alix of Hesse and Alexander, heir apparent to the throne of Russia. Only one last detail remained to be accomplished—a formal proposal of marriage by the young Russian prince and its acceptance by the young princess.

"My father, the czar," said the prince sculpulously conforming to the ceremony of proposal, "has commanded me to offer you my hand and heart."

"My grandmother, the queen of England," replied the princess, with equal conformity, "has commanded me to accept your hand."

But then, being first a woman and second a princess, she departed from the prescribed ritual to add, "Your heart I shall take myself."

And history proves that she did.

Seven Out of Ten

Occasionally an institution or an enterprise grows so swiftly that statistics concerning it become out-of-date in a short time.

That has long been the case with voluntary health insurance—and still is. A set of figures that covers the situation today is obsolete tomorrow.

A recent estimate by the Health Insurance Council says that seven Americans out of 10 carry the insurance, and will be paid some \$3,000,000,000 in claims this year. Here is the breakdown: 118,000,000 people have hospital expense coverage; 103,000,000 surgical expense; and 67,000,000 have what is known as "regular" medical expense. There is also a very new form of insurance which protects against high cost, long duration illnesses of a catastrophic nature. And 10,000,000 people now have this.

Health insurance's progress has not been limited to tremendous increases in the number of people covered. The benefits provided have also been steadily and materially increased. The policy-holder has been given more and more for his dollar. One reason for that is that the business is highly competitive, with many insurance companies plus Blue Cross, Blue Shield and similar organizations all writing coverage.

The outstanding success of voluntary health insurance, in all its branches, proves that there is no need in this country for compulsory government insurance—or a state dominated medical system.

RECALLING

Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

TWENTY YEARS AGO.

Goings-on in the Hamlin community 20 years ago are reflected in the following news briefs, reproduced from the issue of The Hamlin Herald dated September 10, 1937:

Oil activity in the Hamlin territory is running high these days. Two big blocks of 5,800 acres and 4,100 have been completed west and east of town the promise much drilling within the next few months.

Annie Laurie Johnson will leave Friday for Coleman, where she will teach the coming school term.

Mr. and Mrs. A. A. Hackley returned Friday from a two-week vacation at Shovall Hot Wells near South Bend.

A fire that originated in the John Vaughan Welding Shop, did more than \$10,000 damage Monday. The shop was destroyed, and the George Howard Grocery and Bowman Shoe Shop also were damaged.

Because of the low water in the Hamlin Lakes, City Health Officer Dr. J. T. Bynum Sr. urges that all drinking water be boiled before consumption.

Information reached Hamlin on Wednesday that J. P. (Pat) Henry, formerly connected with the First National Bank here, had been killed in a car wreck near Hearne sometime Monday night.

TEN YEARS AGO.

Among items of interest in the Hamlin area 10 years ago were the following, taken from the issue of The Hamlin Herald dated September 12, 1947:

Contractor is this week finishing up the base on the widening and straightening project of Highway 180 west from Anson to the Fisher County line.

Large numbers of Hamlin young people are leaving this week for colleges and universities over the country.

Several from Hamlin attended the Drake family reunion Sunday at Eastland.

FIVE YEARS AGO.

Local happenings in the Hamlin territory five years ago included the following condensed from the issue of The Hamlin Herald dated September 12, 1952:

Soaking rains that fell this week in the Hamlin area were of little benefit to row crops, but will help put season in the ground for grain. The 1.01 inch rain brings the year's total at Hamlin to 8.18 inches.

R. C. Ritchey, area foreman of the Texas Company producing department at Hamlin, was cited in a safety award at a regional meeting at Abilene Tuesday evening.

Clinics for mapping a Chamber of Commerce work program have been set for October 9 under auspices of the West Texas Chamber of Commerce.

Enrollment at Hamlin Schools for the new term is down 162 from last year's 1,020, declares Superintendent of Schools I. R. Hutchingson.

City of Hamlin is asking for bids on the 21-mile water pipeline from Stamford to Hamlin, according to Mayor Mac Brundage.

ONE YEAR AGO.

Of interest in the Hamlin community a year ago were the news briefs below, reprinted from the issue of The Hamlin Herald dated September 13, 1956:

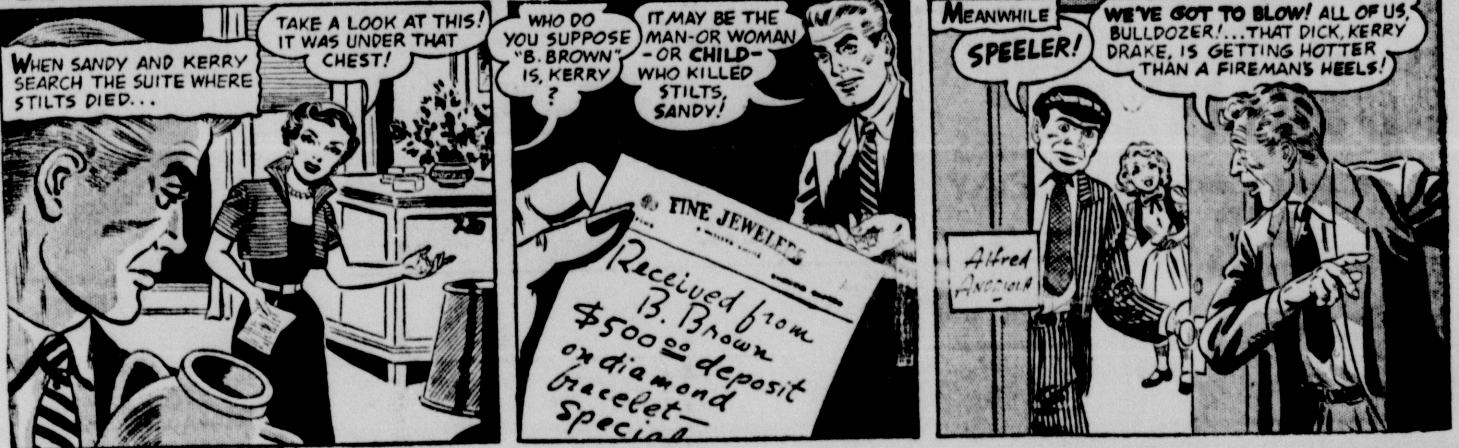

Payments to area farmers under the soil bank plan will begin within a few days. Nearly a million dollars will go to farmers of the region.

A back-to-church movement is being sponsored by the Hamlin Ministerial Alliance.

Ample Mexican labor is reported available for the area's light cotton harvest that has gotten underway.

Six new picnic tables have been installed in the Hamlin City Park under sponsorship of the Hamlin Business and Professional Women's Club.

Organization of the classes at Hamlin High School has been perfected during the past several days, reports B. V. Newberry, high school principal.

The senior class organization is carried in a separate article previously reported. The other three groups' organizations follow:

Junior—Bryan Shelburne, president; Gene Murff, vice president; Louise Lakey, secretary; Glenda Wright, treasurer; Gloria Rodgers, reporter; Judy Parker and Stephen Carmichael, class favorites; Peggy Killion and Libby Johnson, ladies-in-waiting; Ginger Rabjohn, Piper Queen nominee; Mrs. L. O. Fowler, Mrs. Joe Murff and Mrs. Rabjohn, class mothers; Dora Mitchell and Harold Williams, class sponsors.

Sophomores—Sam Hodges, president; Dwight Griggs, vice president; Brenda Fincannon, secretary; Ronnie Ford, treasurer; Arlon Baize, reporter; Rebecca Ferguson and Tobe Shields, class favorites; Carolyn Nunley and Kay Millhorn, ladies-in-waiting; Martha Gage, Piper Queen nominee; Mrs. Ferguson, Mrs. Hodges and Mrs. Gage, room mothers; D. C. Andrews and Jimmy Vaughn, class sponsors.

Freshmen—Ned Moore, president; Myra Siburt, vice president; Clyde Hodnett, secretary; Nell Waldon, treasurer; Jerald McCannies, reporter; Myra Siburt and Wayne Hudspeth, class favorites; Jorene Hudspeth and Nell Waldon, ladies-in-waiting; Jorene Hudspeth, Piper Queen nominee; Mrs. Sellers, Mrs. Moore and Mrs. Joe Hudspeth, class mothers; Neil Laminack and Gus Young, class sponsors.

DALLAS-FORT WORTH TURNPIKE—This air view of the new \$58,000,000 Dallas-Fort Worth turnpike, six-lane divided super-highway linking the heart of Dallas with the heart of Fort Worth, a distance of 29.6 miles, is shown stretching west from a point just west of Grand Prairie.

Markets of Country Record Largest Runs of Season as Prices Hold Steady

Despite the fact that cattle numbers going to market in the Southwest continue to be below normal this early, the other parts of the nation are proceeding to cash fully normal numbers, states Ted Gouldy, special market reporter for The Herald, in his weekly summary. His release continues: The nation's 12 major markets reported over 743,000 cattle and calves Monday, the largest of the fall season. Chicago with 25,000 and Omaha with 23,000 led in numbers.

Cattle prices were inclined to weakness at virtually all points and, despite relatively light numbers, prices at Fort Worth were lower on steers and cows. Fed steers closed 50 cents lower and cows closed 50 cents to \$1 off. Bulls were fully steady.

Slaughter calves and stocker and feeder calves of cattle continued to sell steady at Fort Worth.

Good and choice slaughter steers and yearlings sold from \$20 to \$22.50, and common and medium offerings sold from \$13 to \$19.

Good and choice slaughter lambs sold mostly from \$20 to \$21.50, with a few to \$22.50. Cull to medium slaughter lambs sold from \$13 to \$19. Stocker and feeder lambs cashed at \$17 to \$20, and good to choice yearling wethers sold from \$16.50 to \$17.50, with cull to medium sorts from \$12.50 to \$16.

Aged wethers sold from \$10 to \$13.50. Slaughter ewes cashed at \$7.50 to \$9. Aged bucks sold around \$6.

Hogs and packing sows were generally steady at Fort Worth Monday, as good and choice butchers sold from \$21.50 to \$21.75, and some medium to good hogs cashed at \$18 to \$21.25. Sows drew \$17.50 to \$19.50.

Pied Pipers Light But Look Good, Declare Coaches

Last Friday night's game with Roby hardly permitted a show of the strength of the Hamlin High School football team," declared Head Football Coach D. C. Andrews when he spoke at the Tuesday noon luncheon meeting of the Hamlin Lions Club at the oil mill guest house.

He and the other coaches, Jimmy Vaughn and Neil Laminack, gave some highlights of this year's grid prospects at the Hamlin Schools.

Vaughn, line coach at Hamlin High, declared that generally he had a green line from the experience standpoint, but that the boys are showing up well. The line is good on defense despite their light weight, he declared.

Andrews declared that his backfield boys likewise are small, but are fast and good ball handlers. Laminack gave a preview of his B string boys at Hamlin High School, stating that they are shaping up nicely. They open the new season tonight (Thursday) at Spur, Laminack said.

Membership Chairman L. H. McBride presented a membership drive plan being sponsored by the Lions Club. Various prospects' names were assigned to the members present.

New yearbooks for the club were distributed by Tail Twister Joe League.

Besides the three coaches other guests at the Tuesday luncheon included S. L. Morgan of Portland, Maine, Carl Heinlan and Jimmy Spencer.

Special Price Set for Herald Subscriptions To College Students

To students only, The Hamlin Herald will be sent from now until June 1, 1958, for only \$1.50. This represents a considerable saving and is the "hottest" special this paper has ever offered to students.

The special offer is being made in view of the fact that many students this year will be financially "cramped" because of the doubling of tuition at all state schools and because of the "necessity" of receiving the Home Town Paper, which is a splendid tonic for severe cases of homesickness.

At this low rate parents can hardly afford to mail their own copies to their college students each week. Even the postage for 36 weeks would cost more than \$2; the student would receive the paper late; and the parent would probably not have an opportunity to read his paper as thoroughly as he would like in an effort to forward the paper as soon as possible.

Electric Cooking is COOL

It's truly an exciting thing when you have an electric kitchen. You feel so thoroughly modern with electricity to help with every task. Electricity heats and cooks the food, does the dishes, makes the toast and coffee and even runs the radio. It's dependable too. Night or day, whenever you flip a switch, you know electricity to warm, toast and sizzle.

Cool, of course it's cool, because the heat cooks the food and not the cook. Electricity is so inexpensive you can use a lot of it.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ..OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it ... to prove its pulling power and ruggedness!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak ... shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.

Linda Carlton and Kenneth Barnett Repeat Wedding Vows in Friday Rites

Linda Alice Carlton and Kenneth Barnett of Midland repeated wedding vows Friday evening at 6:30 o'clock at the First Methodist Church in a double ring ceremony performed by the pastor, Rev. Edmund W. Robb.

The bride is the daughter of Mr. and Mrs. A. B. Carlton of Hamlin, and the bridegroom's parents are Mr. and Mrs. John Barnett also of Hamlin.

Palms and baskets of white gladiolas formed a background for the rituals, with tapers burning in tall candelabra at either side of the altar.

Mrs. Brad Rowland played a number of nuptial selections at the organ. Mrs. Willard Maberry sang "At Dawning" and "O Promise Me," accompanied by Mrs. Rowland.

Reception of Bride's Home Friday Follows Carlton-Barnett Rites

Following the Carlton-Barnett wedding rites Friday afternoon at the First Methodist Church, a reception was held at the home of the bride's parents, 413 North Central Avenue, for attendants.

The bride's table was covered with a yellow organdy cloth with ruffles reaching to the floor. Accenting the table were crystal candle holders holding yellow tapers. The bridesmaid's flowers also were used in decorations for the table.

Following the reception the young couple left for a honeymoon to Ruidoso, New Mexico, and other points. For traveling the bride wore a black and white two-piece tweed suit with black accessories. They will be at home at Midland after September 12.

North Central Church Adult Training Union Names New Officers

Members of the Phillips Training Union of the North Central Avenue Baptist Church met in the home of Mr. and Mrs. L. H. Clark September 3 for their business and social hour.

The session was opened with a song opened by Mrs. Bob Cary. Prayer was led by Bob Cary, and the devotional was given by Mrs. J. R. Rhoton Sr.

Officers were elected for the new church year beginning October 1. Named were: J. R. Rhoton Sr., president; Mrs. L. H. Clark, vice president; Mrs. D. A. Mullings, secretary; Willard Jones and Jack Talbert, Bible readers; leaders: Mrs. Ida Madden, reporter; Mrs. G. D. Phillips and Mrs. Anderson, missionary leaders; Mrs. Sid Clay and Mrs. Bob Cary Sr., social leaders; Mrs. Frank Martin and Eddie B. Hopper, group captains.

Home-made ice cream was served to eight members and three visitors.

SCRAP PAPER WANTED!

The Celotex Corporation will purchase newspapers (no magazines) at the Hamlin plant west of town.

Paper Received on Friday Only

from 1:00 to 3:00 p. m. in quantities not less than 1,000 pounds quantities.

Paper purchased only from clubs, churches and other organizations.

Prevailing market prices.

Matron-of-honor was Mrs. Benjie Jones of Abilene, sister of the bride. Bridesmaids were Carolyn Barnett, sister of the bridegroom, and Annette Smith, friend. Best man was John Scott Barnett of Houston, brother of the bridegroom. Ushers were Joe Don Hymer and Thomas Newland, both of Hamlin.

Given in marriage by her father, the bride wore a dress of white diamond satin with chantly case forming an overskirt. The dress had long pointed sleeves, and a soft pleated V-neck highlighted the floor length dress. She wore a finger tip veil of illusion.

The matron-of-honor and bridesmaids wore yellow floor length taffeta dresses with net overskirts caught up with yellow satin roses. They wore yellow net demitails with crowns of daisies and carried arm bouquets of yellow chrysanthemums.

The bride is a graduate of Hamlin High School and attended McMurry College in Abilene. Young Barnett also is a HHS graduate and spent two years of service in the United States Marines. He is employed by Miami Oil Company at Midland, where the newlyweds will make their home.

Annual Picnic Given By McCauley Club For Their Families

Annual picnic for members of the McCauley Home Demonstration Club and their families was held August 15 in the home of Mrs. Ben Kemp.

Special guests at the affair were Mrs. Dick Myers, Tommy, Billy and Dickie of Washington, D. C.; Mr. and Mrs. Lon Ward of Roscoe; Mrs. Mary Avants, Mr. and Mrs. Billie Henderson and Mr. and Mrs. Johnny Jeffrey of Hamlin; Mrs. Joyce Poore of Abilene; Mr. and Mrs. Guy Kemp of Roby.

Other attendants included Mr. and Mrs. Ted Abbott, Mr. and Mrs. Willie Fancher, Mr. and Mrs. Ray Maberry and girls, Mr. and Mrs. Glenn Henderson, Mr. and Mrs. Fred Kemp and Ann, Mr. and Mrs. Frank Kemp, Mr. and Mrs. Ara Smith, Mr. and Mrs. Billy Wayne Jeffrey and daughter, Mr. and Mrs. Luther Maberry, Mr. and Mrs. Happy McHone, Mrs. Will Davidson and Jewel, Mrs. Hallie McFatter and Mrs. Della Fancher.

John W. Holdens to Observe Anniversary

The children of Mr. and Mrs. John W. Holden extend a cordial invitation to all friends and acquaintances to attend open house to celebrate their golden wedding anniversary at the home of their daughter, Mrs. Ira Green, 352 Southwest Avenue B, Hamlin, from 2:00 until 5:00 o'clock in the afternoon of Sunday, September 22.

The pioneer couple, both natives of Texas, were married September 23, 1907, at Benjamin, Knox County. She is the former Rosie Stewart. They came to the Hamlin section shortly after marriage and have lived here most of their lives.

Daily Food, Especially Breakfast, Has Decided Effect on Health of Persons

Health precautions: The food you eat becomes you!

Your general state of health can be a first line defense against illness, particularly now that the season of infectious diseases is upon us, according to the medical department of the Equitable Life Assurance Society. Our resistance to complications following colds, "flu" and other illnesses are influenced by how we eat, sleep, exercise and relax—before we become ill, points out Dr. Norvin C. Keifer, chief medical director of the Equitable.

It's true that food, for example, means different things to different people—but the net effect is the same: Food not only supplies the energy to keep us going, but it provides the building materials necessary to renew body tissues. In other words, good nutrition is mostly a matter of getting enough of the right foods—so you can do the things you want and need to do.

Because this is true, it's a good idea to take a look at your eating habits and those of your family every so often. Before the usual—or unusual—illnesses arrive is a good check-up time. Since your body needs all of the food essentials at all times, your regular diet should be built around: A serving of meat or fish a day, about four eggs a week, some cheese; at least two servings a day of vegetables, one dark green or yellow, either raw in salad or lightly cooked; two servings of fruit, including citrus fruit or juice; two glasses of milk each day or equivalent; and, some bread, potato or other grain products. Dessert, candy and beverages such as soft drinks and coffee are not essentials, but they are sometimes pleasant additions.

Other items in your diet can be as extensive or limited as you wish, provided you watch out for "spoon-in-mouth disease," leading to overweight! Underweight, people should check with their doctors now, because too little weight

can also lead to low-red resistance to illness.

One fact about food that cannot be over-emphasized is the value of a good solid breakfast. And a coffee break isn't breakfast! Many people find that the demands of their job in the home or in the office take so much out of them, they feel used up by the end of the day. This is apt to be literally true, and especially so if they haven't had a good breakfast.

Many times an "all-gone" feeling in the late morning comes about something like this: When you get up in the morning you've been without food for a good many hours. You're empty of food, which your body requires as fuel to keep you going. And yet you are not likely to know it—at least not in the sense of feeling hungry. You seem to get along for a few hours on a sub-standard breakfast, but sometime around 11:00 o'clock you can't wait for lunch-time. Errors and mistakes in working are most apt to happen at this time.

To forestall fatigue, to reduce errors to assist yourself of a steady level, fortify yourself with the sure combination: A good night's sleep and a really basic breakfast, such as fruit, toast, eggs or breakfast meat, cereal and milk.

Remember, too, as you review your breakfast and other eating habits, to take a look at your ways of eating as well. The relaxed, pleasant meal . . . tempting, colorful dishes . . . good chewing to help digestion . . . good talk to increase your family's meal-time enjoyment—all are tools for better health.

VISIT FROM MIDLAND.

Mr. and Mrs. W. E. Brown and two daughters, Sarah Lou and Betsy, of Midland are visiting her parents, Mr. and Mrs. Tom Routh, and Mr. and Mrs. Leslie Helburne and family.

Wesleyan Service Guild Meets in First Session of New Year

Members of the Wesleyan Service Guild of the First Methodist Church held their first meeting of the year Monday evening at the church.

Mrs. L. W. Shivers and Mrs. Joe Stephens served a salad plate to the guests at the beginning of the session.

During the business meeting Mrs. M. T. Hudson was elected coordinator. A budget was adopted for the year, including both the missionary pledge and a life membership.

Two new members and one guest were present, Mildred Young and Mrs. Lucille Snow, and Mrs. C. C. Ford of Pampa.

Mrs. Shivers, chairman of the yearbook committee, presented the goals for the year. The lesson, "Mission Cinerama," was led by Mrs. Stephens.

Maggie Seymore and Mrs. Zelma Hulse introduced the Bible study, "Disciples to Such a Lord."

Attendants included Mmes. E. M. Wilson, Myrtle Copeland, Stephens, Hudson, H. A. Johnston, Hulse, Snow, Earl Brown, Shivers, Ford, and Georgia Moore, Lulan Vaughan, Viola Avants, Seymore, Young, Pearl Hudson and Oleta Avants.

GO FOR BROKE.

During vacation days some people stop trying to balance the budget and begin budgeting the balance.

Old Fashioned Settings and Program Feature Dinner Session of B&PW Club

Mrs. Jo E. Miller, second vice president, was in charge of the program when a dinner meeting of the Hamlin Business and Professional Women's Club was held Tuesday evening in the Primary School cafeteria. Assisting were Mrs. Ruth Johnston and Mrs. Jewel Hargrove.

An old fashioned theme was carried out. Decorations consisted of stoff jars as vases, small miniature bonnets as favors, black old fashioned shoes cut out of black construction paper were used as menus. An exhibit of antiques was on display. An old fashioned dinner was served.

The program consisted of a brief history of Hamlin given by Mrs. Jo Riddle. A style show featuring dresses dating back to 1800, the early twenties and other periods were modeled by the following: Gwendolyn Brown, Mrs. Duane Stephens, Mrs. Joe McCrary, Mrs. Jewel Hargrove, Mrs. Melvin Scott, Mrs. Evie Wilson and Brenda Hargrove. Mrs. Bessie Miers furnished background music for the entertainment.

New members present were Mildred Young, Mrs. Billy Joe Wilson and Mrs. Frank Bayouth. Out-of-town guests were Mrs. Johnson and Mrs. Helen Sims.

Other guests of club members were Mrs. Bill Davis, Mrs. Monroe Tabb, Mrs. George Hermann, Mrs. Ira Smith, Brenda Hargrove, Mrs. Donna Sanderlin, Barbara Cheshier, Viola Avants, Mrs. Duane Stephens, Mrs. Melvin Scott and Mrs. Robert Fowler.

Eight members and two visitors were present, the visitors being Mrs. R. E. Ewing and Mrs. John Gibbons.

Fruit Desserts Topic At Thursday Meet of McCauley Women

Members of the McCauley Home Demonstration Club met last Thursday in the home of Mrs. Almond Smith. The county agent, Miss Kemp, met with the club and gave a demonstration on fruit desserts.

Roll call was answered by members giving "My Favorite Fruit Dessert." One new member was added to the club, Mrs. Lon Anderson. Mrs. J. P. Baker Sr. of Colorado Springs, Colorado, was a visitor.

Refreshments were served to Mmes. Luther Maberry, Glen Henderson, Frank Kemp, L. H. Boyd, Willie Fancher, Ray Maberry, Bill Roberson, Holman Boyd and A. A. Smith.

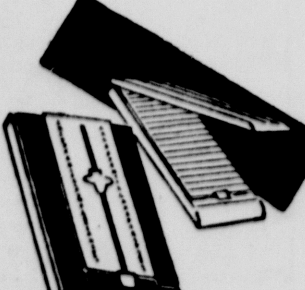

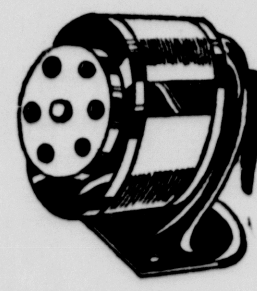

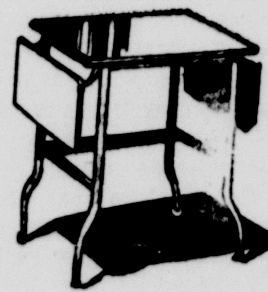

The group will meet with Mrs. Luther Maberry on September 19.

Spur Comes to Town Friday For First Real Test of Squad

Bulldogs Heavier Than Pipers But Locals Have Zip

Pied Pipers of Hamlin High School are scheduled to get down to real play tomorrow (Friday) night when they play host to the strong Spur Bulldogs in the second engagement of the year.

Going into the game with several pounds per man weight advantage, the Bulldogs will tangle with a fighting, determined crew, declare Coaches D. C. Andrews, Jimmy Vaughn and Neil Laminack, who say the Pied Pipers will make up in spirit some of their weight and experience disadvantages.

Spur last Friday lost to the Matador gridders by a 13 to 7 score. A Hamlin man who scouted the tilt says the Spur crew will be tough competition.

About the same line-up as started the Roby game will be on hand for Hamlin. Fullback Jimmy Bryson sustained an ankle injury in scrimmage first of the week, but Coach Andrews says he should be able to play Friday night.

Hamlin last year defeated the Spur Bulldogs to the tune of 18 to 12, following several defeats in a row suffered at the hands of the Dickens County boys.

Big delegations of supporters from both schools are expected to be in the stands at game time, 8:00 o'clock Friday night.

HARRISON IMPROVED.

Roy A. Harrison, Hamlin Herald employee who suffered a heart attack the middle of June, returned Wednesday from a several day stay in the Veterans Hospital at Big Spring. He is much improved, but still unable to return to work.

Eight-Game Football Scheduled Arranged For Junior High Crew

An eight-game schedule of football games faces the Hamlin Junior High School crew of Coach Harry Martin. It will be a double round robin play with a five-team conference loop.

With the first game slated next Tuesday night at Hamlin Pied Piper stadium, the complete schedule follows:

September 17—Albany at Hamlin at 7:30 o'clock.

September 24—Hamlin at Merkel at 7:30 o'clock.

October 1—Anson at Hamlin at 7:00 o'clock.

October 8—Hamlin at Rotan at 7:00 o'clock.

October 22—Hamlin at Albany at 7:00 o'clock.

October 29—Merkel at Hamlin at 7:00 o'clock.

November 5—Hamlin at Anson at 7:00 o'clock.

November 12—Rotan at Hamlin at 7:00 o'clock.

HHS B Stringers Play First Game At Spur Tonight

Coach Neil Laminack's B team of Hamlin High School will go to Spur this (Thursday) evening for their first game of the season against the B stringers of the Dickens County town. Game time 7:30 o'clock.

The B string has been undergoing strenuous work-outs in recent days and Laminack says the boys are shaping up well. He expects to field a fast and "heady" team tonight.

Probable starters for the first game will be: Tobe Shields, left end; David Bond, left tackle; Joe Craft, left guard; Gary Williams, center; Bobby Ellison, right guard; Gary Cooper, right tackle; Jimmy Hill, right end; Mike Bond, quarterback; Robert Brandon, left halfback; Wesley Cummings, fullback; Joe Ford, right halfback.

Others who probably will see service in the Spur tilt are Billy Hallmark, Charles Scott and Dudley Griggs.

It is not definitely known who invented gun powder or where or when it originated.

Junior High Crew Opens Season with Albany Tuesday

Coach Harry Martin is readying 28 eighth graders of Hamlin Junior High School for the coming football season. This year's crew will be defending the conference crown won by last year's team.

First game of the new season finds the Hamlin boys playing host next Tuesday evening to the Albany gridders. Game time will be 7:30 o'clock.

Conference members are Hamlin, Anson, Merkel, Albany and Rotan. Each team plays an eight-game schedule with all eight tilts as conference games.

An added attraction at home games this year will be the presence of the Junior High School Band under the direction of Mac Folger.

Roster of members of the Hamlin Junior High gridders follows:

Name	Position	Weight
Stanley Austin	left end	124
Curtis Carter	left tackle	152
Jerry Smith	left guard	129
Rayford Williams	center	120
Jesse Mendoza	right guard	136
Jerry Duncan	right tackle	160
Jimmy Cooper	right end	122
Wayne Baize	quarterback	191
Bill Richey	left halfback	105
Babe Shields	right halfback	106
Frankie Lee	fullback	160
Neal Branscum	tackle	144
Donald Brown	tackle	130
Max Cowan	quarterback	80
Lanny Ford	center	136
Mike Kelly	end	85
Raley Smith	guard	126
Johnny Stovall	tackle	125
Bobby Wolf	guard	98
Joe Yocham	back	90
Joe Orton	guard	110
Alvin Houghton	end	95

COOLEYS HAVE SIEGE.

Mr. and Mrs. R. H. Cooley went to Lubbock Sunday to visit with a brother, T. W. Jones, 79-year-old Lubbock man, who fell Saturday and broke his hip. He is in serious condition. On their return home Sunday night they stopped to visit a brother, B. K. Tooley, at Tahoka, whose wife had just sustained a broken wrist. Monday they took a daughter to an Anson hospital for an operation.

Pied Pipers Take First Game 31-0 From Class A Roby

Hamlin High School Pied Pipers got off to a good start Friday night on the 1957 football season by giving the Class A Roby Lions a resounding 37 to 0 thumping on the Pied Piper field.

The Roby crew was outclassed in weight and playing, but Coach D. C. Andrews said the first real test of his charges will come Friday night when the Pipers meet the Spur Bulldogs.

Hamlin scored on its first play from scrimmage following a Roby punt. Quarterback Bill Muffl gave a hand-off to Halfback Virgil Wilson who ran 31 yards for the pay dirt.

Late in the first quarter Wilson again went 21 yards for a touchdown on another hand-off, and Lanier Foster's booted extra point made the score 13 to 0.

Early in the second quarter End Charles Jenkins took a pass from Muffl for the third marker. Later Halfback Richie Smith plunged over from the two-yard spot for the fourth touchdown.

Carl Max Weaver took a 17-yard pass from Foster to score and make the count 31 to 0.

Second stringers went into the fray in the second half. Fullback Jimmy Bryson scored from the four-yard area after a Roby fumble set up the tally.

Hamlin completed five to 15 pass tries while Roby was connecting for 61 yards on four of 15 aeriels. Hamlin rolled up 215 yards on the ground to 133 for the visitors. However, first downs were equal in the tilt, being 11 for each team.

Envelopes were not used for mailings purposes in this country until about 1845.

Three of Six District 4-AA Teams Drop Opening Games of New Grid Season

District 4-AA football teams did not look too well as a group in the opening games last Friday night, winning three and losing three of the tilts. Coleman beat Anson 15 to 6, Jacksboro nipped favorite Haskell 13 to 7, and Rotan lost to Archer City 28 to 6. On the other side of the ledger Stamford downed Quannah 19 to 9. Hamlin defeated Class A Roby 37 to 0, and Seymour trimmed the Crowell crew 25 to 13.

In taking the opening at Rotan last Friday night the Archer City Class A crew looked good as they rolled up 15 first downs to five for the Yellowhammers. Gary Pierce scored three of the Archer City markers and Hank Light accounted for the fourth, with all three extra points being made. Wilbur Taylor score in the final minutes on a three-yard plunge for Rotan.

State AA Champions, Stamford Bulldogs, looked impressive but not too powerful in their 25 to 6 win over Quannah on the Bulldog field. It was the Bulldogs' thirty-third straight victory. Charlie Helmer ran two acres for Stamford and Rufino Escobedo tallied the other two markers on passes from Fred Upshaw. Stamford racked up 19 first downs to nine for the visitors, and completed five of 10 passes to Quannah's connecting with two out of three.

Seymour's 25 to 13 victory over the Crowell crew showed up the Panthers as strong contenders in the district race this year. Anson's Tigers had a tough customer in Coleman for the opening tilt, and they went down fighting to the tune of 20 to 12. The Bluecats rolled up 15 first downs to six for Anson, making 210 yards on rushing to 11 for the Tigers. Halfback Tommy Alsop scored

massing 11 downs, but Hamlin had the edge in punch when scoring opportunities came. Scoring for Hamlin were Virgil Wilson two, Charles Jenkins, Richie Smith, Carl Max Weaver and Jimmy Bryson.

State Capital NEWS

By Vern Sanford, Manager, Texas Press Association.
Austin.—Ben Jack Cagle has more invitations than a pretty girl with a rich papa.
Cagle's "dates" are with some half dozen groups who want to know what caused ICT Insurance Company to go under with multi-million-dollar losses. Cagle was ICT manager until a year before its collapse.

After a grand jury session and lie detector test in Dallas, Cagle moved to Austin. At the head of the line of questioners here is the Travis County grand jury. Other questioners include:

1. House general investigating committee.
2. Senate general investigating committee.
3. Renne Allred, attorney for the state liquidator, handling what remains of ICT.
4. Federal agents—from the postal inspection service and Securities Exchange Commission.

Governor Sounds Out Solons.—Governor Price Daniel has asked legislators or a "frank expression of their attitudes toward the proposed special session."

In an individual letter to each member, the governor outlined the session goals: (1) A lobby registration bill; (2) a bill requiring registration of those who represent others before state agencies; (3) a bill setting up a study on how to prevent spread of crime; and (4) legislation to develop a state master water plan.

No new taxes will be needed to finance any of these projects, or the session itself, the governor's letter contended.

Best guesses are that, barring stringent opposition from the lawmakers themselves, the session will be called for October 15.

Named to Tax Commission.—Three business experts from over the state will join with lawmakers in making a thorough study of the state and local tax structure.

Named by Governor Daniel to the Texas Tax Study Commission are Dr. John R. Stockton of Austin, director of the University of Texas Bureau of Business Research; John McKee of Dallas, executive in the Ford Motor Company's Dallas plant; Hugh Loewenstern Sr., Amarillo real estate dealer.

Three senators and three representatives also will serve on the commission.

New Map Available.—A new map, loaded with historical and geographical information about the state of Texas, has just been published by the general land office.

Copies are available without charge. Schools are expected to find it particularly useful.

Markings include the lakes, mountains, rivers, dams, reservoirs, off-shore tidelands, state-owned lands, old cattle trails and stage-coach routes.

Retail Sales Up.—Retail sales in Texas during July increased two per cent over June, nine per cent over July of last year.

Latest figures from the University of Texas Bureau of Business Research show Austin merchants out in front compared with other cities. Their increases were seven per cent over June, 12 per cent over a year ago.

Other leaders: San Antonio, up 10 per cent from 1956; Dallas and Houston, each up nine per cent; El Paso, seven per cent; Fort Worth, two per cent.

There'll Be a Wait.—Owners of land in the path of new state highways face a delay before getting their money for it.

Under new law state pays half the cost of right-of-way buying for state roads. But since the money is to come from higher automobile license fees, the state won't have it until next year after people buy new plates.

In the most recent group of road building projects authorized by the State Highway Commission it was expressly stated that money for land buying would not be available until after March, 1958.

No Leniency for DWIs.—Motorists who lose their drivers' licenses for drunken driving need not expect to get them back before the suspension period is over.

State Board of Pardons and Paroles said it is no longer even making recommendations for early

return of licenses. Governor Daniel, who must approve the recommendations, has made it clear, said the board, that he doesn't favor leniency for DWI cases.

Law takes away license for six months on first conviction, a year on second conviction.

More Money for Schools.—State aid to Texas public schools has been raised \$2 per pupil. It's now at a record breaking \$80 per child.

State Board of Education upped the allocation after State Comptroller Robert S. Calvert reported a revenue estimate nearly \$4,000,000 more than his previous estimate.

Present outlook is that the state's bill for educating its record

1,923,849 pupils will be a whopping \$336,116,118.

Short Snorts.—Most of Texas' farmers and ranchers will go into the winter with the best supply of hay and feed in years, reports the U. S. Department of Agriculture.

Surge of back-to-school activities may push the number of job holders to the 3,000,000 mark says the Texas Employment Commission. July total was 2,998,000. School payrolls are expected to add 20,000 more and provide more business for retail and service industries.

Leon R. Graham, member of the Texas Education Agency staff, has been advanced to the post of assistant commissioner of education for administration. He replaces Bascom B. Hayes, who resigned to become superintendent of the Brazosport School District.

Choosing a site of the new state archives building has been delay-

ed, reports Representative Vernon J. Stewart, chairman of the selection committee. Legislature authorized the building last session, but provided no money to survey property for a site.

Watson Wise of Tyler will serve as chairman for Texas' observance of United Nations Day, the governor's office announced.

Dr. Willis Sutton to Be Here October 30

Dr. Willis A. Sutton, outstanding educator of the nation, and former superintendent of schools at Atlanta, Georgia, will again come to Hamlin for a series of lectures and conferences with high school students and school officials, on October 30, it is announced by C. F. Cook, superintendent of schools.

Dr. Sutton will speak at a joint meeting of the Hamlin Rotary and Lions Clubs at the oil mill guest house Wednesday at noon.

Rotary Club Hears Coaches Review Status of Football

Although most of the regulars of last year's Hamlin High School football squad were lost through graduation, the 1957 edition of the Pied Pipers is shaping up well, declared the three coaches of the school when they spoke at the Wednesday noon luncheon of Hamlin Rotary Club at the oil mill guest house.

Head Football Coach D. C. Andrews gave a run-down on the general outlook for the team, declaring the boys had a good spirit that would offset to some degree their lack of weight. Line Coach Jimmy Vaughn said the line is green, but is hard working. B Team Coach Neil Laminack declared that his charges are shap-

ing into a formidable aggregation that will open the season Thursday night at Spur.

Thirtieth anniversary celebration of the Rotary Club will be conducted at a ladies' night affair on the evening of September 26, it was announced by Chairman Tommy Davis of the arrangements committee. Lucille Gerber, outstanding reader of Abilene, will be featured at the affair. No day time meeting will be held on September 25, regular meeting time of the club, it was announced by President Gene Prewitt.

Besides the three coaches, other guest at the Wednesday luncheon was Rollis Merritt of Abilene.

Primary Teachers Go To Area Workshops

Several teachers of the Hamlin Primary School have attended workshops for teachers during the past several weeks, it was noted by Mrs. Fred C. Smith, Primary School principal.

Mrs. Ray Hennington attended a one-day clinic at Stamford. Mrs. Joe Norton attended a reading workshop at McMurry College in Abilene. Mrs. Maude Elkins was a student for six weeks at LeCoeur Rhyne College at Hickory, North Carolina.

Other teachers had attended a workshop early in the summer at Sul Ross State College at Alpine

Scores of Hamlin Young People Begin Trek Back to Colleges of Four States

Scores of Hamlin area young people have begun their trek back to college to pursue their higher education. They are going to all the major state schools, and four out-of-state colleges will number local young people among their student bodies this year.

About 80 per cent of last year's graduates of Hamlin High School are entering college, a survey of the senior list reveals.

The Herald probably is overlooking some college-bound young people, but this is the list we were able to compile at press time. They are listed by schools.

Sul Ross State College at Alpine—Don Eddie Adair, Muriel Don Smith, Clarence Parker, Bobby Beall and Lavere Wilson.

North Texas State College at Denton—Joe Cowan, Hazel Crew, Annette Smith, Lee Maberry, Mr. and Mrs. David Cowan, Kevon Rogers, Reba Roland, Lawrence Cook, Peggy Briscoe and Benny Watson.

McMurry College at Abilene—

James Crowley, Douglas Ford, Ronnie Parker, Dee Prewitt, James Boyd, Ken Hewett and Laveta French.

Texas Technological College at Lubbock—Jay Cunningham, Steve Reynolds, George Huling, Dwight Wallace, Davey Weaver, Cel Albritton, Janis Crowley, Charlotte Wallace, Mr. and Mrs. Guy Weaver, Angela Malouf, Clifford Eoff, Dennis Johnson, Clark Hewett, and Don Crowley.

Texas Christian University at Fort Worth—Lane Fletcher, Mary Ann Willbanks, Robert Fletcher and Ekkie Kelly.

Abilene Christian College at Abilene—Jerry Fred Jay, Mac Reid, Marilyn Fletcher, Rodney Spaulding, Judy Parker, Mr. and Mrs. James Eddie Jay and Melvin Hames.

Hardin-Simmons University at Abilene—Gene Steele and Barbara Durham.

Tarleton State College at Stephenville—Sonny Winegart, Fayma Downey, Jackie Drummond

and James Lain, Hendricks School of Nursing at Abilene—Joy Crawford, Stephens College at Columbia, Missouri—Judy Harden.

Bethany-Peniel Nazarene College at Bethany, Oklahoma—Elizabeth Norton, Bobby Norton and Jeannette Higdon.

Arlington State College at Arlington—Justin Rowland, Southern Methodist University at Dallas—Holly Toler Jr.

Texas A. & M. College at College Station—Perry Davis and Doyle Brinegar.

University of Texas at Austin—Joe Don Hymer, Robert Altum and Richard Sutherland.

Baylor University at Waco—Faith Simpson Absher.

San Angelo Junior College at San Angelo—Wesley Minton.

University of Oklahoma at Norman, Oklahoma—Dewey Nunley.

Four graduates of DePriest Colored School are attending college this year. John Reese Mayfield enters Texas Southern University at Houston, where he is a senior. Entering Texas School of Tyler is Clementine Turner. Also a student there is Hattie Anderson. D. C. Carr will enter Butler College at Tyler as a sophomore.

Former Hamlin Carpenter's Rites Held in Arkansas

Final rites for Joseph William Muncy, 87-year-old former Hamlin resident, were held Friday afternoon, August 30, at Smackover, Arkansas, at the Rumph Mortuary. Muncy died Wednesday, August 28, at 6:00 p. m. at the home of a daughter, Mrs. W. C. McBride, in Smackover.

Rev. Harold D. Sadler officiated at the services. Burial was in Smackover Cemetery.

Palbearers were Ralph Warr, N. T. Rutledge, Ralph Haynie, H. L. Tirk, Van Thompson, J. S. Fulmer and A. W. Estes.

Muncy suffered a light stroke a few days before his death, but was recovering when he developed pneumonia a few hours before his passing. He was the husband of the late Grace Minerva Dodson Muncy, who died in 1918.

A carpenter and building contractor, Muncy had made his home in Hamlin for 35 years before going to Harlingen to make

Boys Outnumber Girls At High School So Far

Boys outnumber the girls enrolled at Hamlin High School, 120 to 113, according to tabulations released this week by B. V. Newberry, high school principal. Total enrollment in the four classification is 233, which is up one from last year's enrollment at this time of the year.

Enrollments by classes follow:

Seniors—Boys, 21; girls, 21; total 42.

Juniors—Boys, 34; girls, 30; total 64.

Sophomores—Boys, 32; girls, 29; total 61.

Freshmen—Boys, 33; girls, 33; total 66.

his home with a daughter. They moved to Smackover in June. He was born in Pennington Gap, Virginia, on February 22, 1870.

In addition to Mrs. McBride, he is survived by another daughter, Mrs. J. T. Reynolds of Smackover; one son, William T. Muncy of Fresno, California; three grandchildren, Chris and Linda Reynolds of Smackover and Douglas Muncy of Fresno.

City Sunday School Attendance Gains Over Previous Week

Attendance at Hamlin Sunday Schools took a decided jump Sunday over the previous week, a tabulation by The Herald shows. The 1,342 total for the 13 reporting churches was 120 more than the previous week, but only six more than the year ago figure.

Attendance totals, by churches, for September 8, September 1 and a year ago follow:

Eddie B. Hoppers Have Sons at Home

At home for several days' visit with their parents, Mr. and Mrs. Eddie B. Hopper have been two of their sons. Private Bobby R. Hopper, who has just completed a 12-day leave from Fort Riley, Kansas, has reported back to the base for further training.

Another son, Hub Hopper, who has been employed in a barber shop at Waco, has been visiting. Hub will remain at Hamlin, where he has accepted employment at Imperial Barber Shop.

The Hoppers have another son who is serving with the U. S. Army in Germany.

VISIT FROM FORT WORTH
Mrs. Loy D. Fry Jr. and daughters, Margaret Ann and Martha Kay, of Fort Worth arrived last Wednesday to visit for several days with Loy D. Fry Sr. and other relatives in the Hamlin section.

By Willard Jones

A HAMLIN MAN was leading a handsome Boxer dog on a new leash when he met up with a friend.

"Look, Archie, what I got for my wife this morning."

Archie gazed in immeasurable admiration. "Gosh, you have all the luck! Wish I could make a trade like that."

SMALL BOYS are the cause of a lot of anxiety, grief and joys.

Do you know why doughnuts have holes in the middle? It all came about because of a boy.

His name was Hanson Gregory, and he lived in New England in the early days. His mother made cookies for him and fried them in grease. He loved to eat them, but his hands got very greasy when he handled them, and he noticed that the center of the cookie was not cooked like the other part. The center was soft and doughy and uncooked.

He suggested to his mother that she just cut a hole in the center of the cookies before cooking them, and then all of the cookies would be nicely cooked. She did so, and soon the neighbors all cooked their cookies with the hole in the center.

And this is how the hole came to be in the doughnut.

LITTLE JANE came late to school the other morning, and the doting teacher demanded an explanation.

Jane replied, "Dr. Smith just brought us a new baby this morning."

Just then little Jack raised his hand and said, "Teacher, we take from him, too!"

A SIGN in a Western town reveals some pungent statistics. It reads:

"4,029 people died of gas in this state last year. Two inhaled it; 27 put a lighted match to it; and 4,000 stepped on it!"

PUNGENT is a good descriptive adjective for the saucy little paragraphs included in the daily "Barbs" column by Hal Cochran in The Fort Worth Press which have been quoted from time to time. Here are a new bunch of the quips:

Somebody should invent a bed with a comptometer for counting sheep.

All that a wallflower needs to blossom out at a dance is some sun.

Wedding: A time when a man loses control over himself.

Psychologist: A man who watches everybody else when a pretty girl enters the room.

Hamlin Schools Show Gain in Enrollment Over Last Year

Other Students Will Add to List, Declares Cook

Enrollment is up in the Hamlin Schools slightly from the same period last year, in contrast to figures from other schools of the county, according to tabulations made this week by school officials.

Stamford, incidentally is hiring four less teachers this year because of a decrease in scholastics, and The Herald understands Anson also has a decrease in number of students.

Enrollment for the start of the Hamlin schools has been good so far, reports Superintendent of Schools C. F. Cook.

"We are expecting several more students to start who live in our community who have not enrolled," said Cook this week.

Tabulations show that a net gain of students in the Hamlin School system totals 27 over last year's enrollment at this time.

By schools and grades the enrollments look like this:

Primary School—First grade, 84; second grade, 83; third grade, 75—total of 242; down 10 from this time last year.

Elementary School -- Fourth grade, 90; fifth grade, 80—total 170; up five from last year.

Junior High School -- Sixth grade, 84; seventh grade, 75; eighth grade, 68—total 227; up 11 from last year.

High School—Ninth grade, 66; tenth grade, 61; eleventh grade, 64; twelfth grade, 42—total 233; down one from last year.

DePriest Colored School—Total enrollment 184; up 22 from last year.

Lions Club to Stage Broom Sale for Blind

Hamlin Lions Club will again this year conduct a "Caravan of the Blind" broom sale on Wednesday, October 9, it was announced by officials of the local club this week.

Stanley Carmichael and W. C. (Ted) Russell have been named captains of two competing teams for the sale. The brooms, mops and other articles are made by blind or others with deficient eyesight, and proceeds from the sale will go to the Lions Club blind fund, which is used to purchase glasses for children of the community with deficient eyesight.

DISTRICT GOVERNOR for Rotary Clubs of this section, W. Truett Walton (above), was a guest Tuesday evening and Wednesday of Hamlin Rotary Club. The local club had 100 per cent attendance to greet the official at the Wednesday noon luncheon.

10 New Students Enroll Recently At High School

Ten new students have been enrolled at Hamlin High School. B. V. Newberry, high school principal, reports this week. By the various classifications, they are:

Seniors—Barbara Sue Bell from Denver City, daughter of C. N. Bell, who is with the Shell Pipeline Company; Kline Irvine from Jacksboro, son of C. H. Irvine, who is with the Western Auto Store.

Juniors — Charles R. Bennett from Arlington, son of J. T. Bennett, who is employed by an oil company; Laretha Hill from Laredo, staying with J. F. Weaver, who is employed by Celotex.

Sophomores—Frances M. Howard from Mineola, daughter of A. F. Howard, employed as a body repair man; Eva Jo Chrane from Abilene, wife of B. K. Chrane, who is employed as a bookkeeper with Hamlin Oil Well Service Company.

Freshmen — Phil Smith from Wichita Falls, son of P. E. Smith, with the Shell Pipeline Company; Montie Wade from Sweetwater, daughter of Auldon Wade, owner of Wade Implement Company, and Mrs. Wade is a teacher in Hamlin High School; Jane Taylor from Stamford, staying with Mrs. Sam Terrell; Darla Harkey from California, daughter of A. E. Harkey, with Continental Oil Company.

Deadline for Gas Tax Refund Nears Farmers Warned

October 1 is the deadline for farmers to file an application for the three-cents-per-gallon federal gas tax refund, according to Bill Lehmborg, county agent, and Ray Walker, junior extension agent.

You may apply for a refund of the federal taxes you paid on gasoline used in the 12-month period ending June 30, 1957.

To be eligible for a tax refund on your purchases of gasoline, you must be the owner, tenant or operator of the farm. No tax refunds are allowed on gasoline used off the farm, or in processing, packaging, freezing or canning operations. However, you may claim a tax refund on gasoline used on your farm by a neighbor or customer operator who performs farming operations for you.

It's an easy job to file your application for refund on the simple Form 2240 furnished by the Internal Revenue Service. All you need to show on this form is your name, address, gallons of gasoline purchased and used for farming purposes, and the amount of refund you are requesting. Then sign the form and mail it to the District Director of Internal Revenue Service, Dallas, Texas.

These forms are available at your county agent's office, says Lehmborg.

Fund Drive for Camp Fire Girls Slated Next Week

Annual financial drive for the Hamlin Camp Fire Council, sponsor of the Camp Fire Girls in the area, will be conducted next week, it was announced Tuesday by officials of the council.

A concerted canvass will be made by solicitors next Tuesday and Wednesday. Cliff Reynolds Jr. is campaign director.

Business men will make solicitations in the business section, and mothers and other women interested in the movement will make house-to-house calls in the residential area, it is announced.

Reynolds says that there are now more than 115 girls in the various sections of the Camp Fire Girls movement in Hamlin, and others are seeking admittance.

No definite goal has been set for the two-day drive next week. More than 90 per cent of the funds raised in the drive will remain in the community for local activities, maintenance of the Camp Fire Girls hut and other expenditures, Reynolds points out.

Bumper Cotton Crop Looms for Territory

Rotary District Governor Visits Hamlin This Week

Hamlin Rotary Club was to be host yesterday (Wednesday) to W. Truett Walton, governor of the 579th District of Rotary International, who is making his annual visit to each of the 37 Rotary Clubs of this area. He was to address the local club Wednesday at noon and confer with President Gene Prewitt, Secretary John Howard and committee chairmen on Rotary administration and service activities.

Walton is vice president of Hardin-Simmons University, and is a member and past president of the Rotary Club of Abilene. He is also a past president of the Rotary Club at Ranger and was golden anniversary chairman for the 186th District during the governorship of Warren Taiman of Stamford. He was elected as the district governor of Rotary International for the 1957-58 fiscal year at Rotary's forty-eighth convention in Lucerne, Switzerland, last May. He is one of the 249 district governors who serve as representatives of Rotary International and help in supervising the activities of more than 9,400 Rotary Clubs which have a membership of 446,000 business and professional executives in 102 countries throughout the free world.

Wherever Rotary Clubs are organized, President Prewitt asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of Hamlin, because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all peoples of the world.

Each year this world-wide service organization continues to grow in numbers and in strength, President Prewitt added. During the present fiscal year 341 new Rotary Clubs were organized in 41 countries of North, South and Central America, Europe, Asia, Africa and the islands of the Pacific, and six countries were added to Rotary's roster—Cambodia, French Cameroun, French Equatorial Africa, Guadeloupe, Leichtensten and Uganda.

Earl Johnsons Give Scouts Lake Cabin

Mr. and Mrs. Earl Johnson of Hamlin announced the gift this week of their West Lake cabin to the Hamlin Boy Scout organization, according to Weldon Johnson, leader of Boy Scout Troop 43. The gift includes the cabin, all contents, including beds, chairs, tables, electric refrigerator, electric range, telephone, dishes, silverware, outside lighting, outside picnic tables and steel awning.

Jones County Cotton Insect Situation Has Been Generally Good

The cotton insect situation has been very good in Jones County this summer, according to Ray Walker, junior assistant county agent.

The beneficial insects have, in most cases, sufficiently outnumbered the harmful insects resulting in few farmers having to use controls.

A good example to this situation is that of A. C. Musil of the Cornin community, who is cooperating with the county agent's office on cotton insect control. Musil's farm was checked for the first time in late June. At the time control was recommended to reduce the damage from cutworms.

Since that time his field has been checked periodically by the agent and junior assistant agent. To this time there have not been enough harmful insects of any kind to recommend controls.

First P-TA Meeting of New Year Thursday

First meeting of the Hamlin Parent Teacher Association for the new school year will be held this (Thursday) evening at 7:30 o'clock at the Primary School, it is announced by Mrs. E. D. Perrin, president of the organization.

Members of the Cub Scout packs of Hamlin will provide the entertainment for the evening.

Mrs. Perrin points out that this is a get-acquainted session of the P-TA when parents and members of the faculty will mingle. The public is invited.

Tom Routh to Show New Home Tuesday

Mr. and Mrs. Tom Routh, long time Hamlin area residents, have recently completed a new home in South Hamlin, and they want their friends to inspect the place if they like.

The Rouths will be at home to their friends next Tuesday, September 17, from 7:00 until 9:00 o'clock p. m.

First 1957 Bale Expected from Section Any Day

"Cotton crop in the Hamlin section continues to look promising despite lack of rains and some damage from insects. The best crop in the past 10 years is now in prospect, cotton men and others agree.

Most of the cotton in the territory is about three weeks later than usual for this time of year, because of the late rains in May that kept planters out of the fields at normal cotton planting time.

Good boll formations are on most of the cotton in the territory, and with fairly favorable weather persisting during the next several weeks, a bumper crop is predicted. Little cotton has been noted to be opening in the area, however, the first bale of 1957 cotton for the region is expected momentarily. Tuxedo community, east of Hamlin, gained its first two bales first of the week, and Sylvester, southwest of Hamlin, produced a bale over the week-end.

Damage was done to cotton in the immediate Hamlin area Tuesday of last week by a violent hailstorm, but scope of the damage was small, centering just south of the city limits.

Several showers of rain, including two last week and some over the week-end, have been of some benefit to the crop.

Silage Field Day Set Friday in Ericksdahl Community for Public

A silage field day will be conducted in the Ericksdahl community on Friday, September 13, beginning at the Bethel Lutheran Church at 9:30 a. m., according to Bill Lehmborg, county agent, and Ray Walker, junior assistant agent.

Dr. Hugo B. Haterius will conduct a short discussion period at the church, which is 7.8 miles east and 2.3 miles south of Stamford on Farm Road 142.

After this the group will move to nearby fields to observe the harvesting and storing of the silage until about 11:30 a. m.

The field day is sponsored by the Jones County Extension Council in cooperation with Haterius & Sons operation.

Commissioners Court Reverses Action And Rehires Trapper on Part Time

Jones County commissioners, meeting in special session last Friday, agreed to continue the employment of an animal trapper, rescinding action taken by the group the previous week in which they had announced the cessation of the position as an economy move.

A delegation of farmers and ranchers appeared before the court, asking that the trapper be replaced. R. M. Wagstaff of Abilene, who runs sheep and goats in the shinnery in the southwest part of the county, recounted for the farmer group how coyotes this year had cost him 25 to 30 head of animals.

Homer Thomas of Lueders was also spokesman for those favoring rehiring of the wolf trapper. He cited figures to show that in this 10-county area 1,276 coyotes and 200 bobcats were killed last year. In Jones County the figures were 115 coyotes and three bobcats. Thomas reminded the court that summer months are not good for trapping and that they are not a good yardstick in determining the cost for eliminating the varmints. Cost had been cited last week by County Judge H. G. Andrews as being too great for the number of animals being eliminated by Charlie Myatt, the trapper.

The court was holding a public hearing on the proposed budget for the new year, calling for total expenditures of \$150,000. The tax rate was set at 64 cents per \$100 valuation, with 30 cents to go into the general fund, 30 cents into the road and bridge fund, two cents into the jury fund and two cents into the permanent improvement fund.

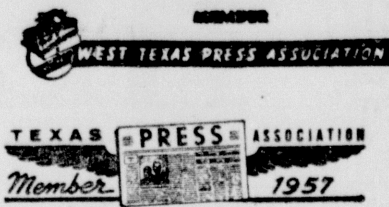

Who's New This Week

Mr. and Mrs. Arden Lockhart of Abilene are announcing the birth of a daughter Saturday at Hendrick Memorial Hospital. She weighed eight pounds six ounces, and has been named Janet Kay. Paternal grandparents are Mr. and Mrs. W. C. Lockhart of Hamlin and maternal grandparents are Mr. and Mrs. J. L. McClendon of Wichita Falls.

NOTABLE CHANGES IN THE POLIO PICTURE

With the introduction of the Salk vaccine into the polio picture this country has undergone a radical change. Since this change has a bearing on the health of your entire family, you ought to know about it.

Here's what has happened in the past few years:

Children from five to nine years old used to be one of the largest group of victims. In 1952 they accounted for 24 per cent of all paralytic cases. By now most of these school youngsters have been vaccinated and the proportion of cases among them is declining. In 1956 it dropped to 16 per cent of all cases. That's the bright side of the polio picture.

Of course, with a decline in one age group there has been a corresponding rise in percentages among other age groups not yet protected by Salk vaccine.

Take pre-school youngsters under five years old, for instance: In 1952 they comprised 23 per cent of paralytic cases. In 1956 the proportion had climbed to 39 per cent. Infants one and two years old had the highest percentages of all. That's why polio authorities

like the National Foundation for Infantile Paralysis urge that they be first on the vaccination list.

The next most vulnerable group in the new polio picture are teen-agers and young adults from 15 to 40 years. In 1952 they comprised 33 per cent of paralytic cases. In 1956 the percentage was 34 per cent. Since polio paralysis is especially disastrous to wage earners in a family, they need protection urgently.

Think these figures over. If your school-age children have been vaccinated, that's fine. But don't forget the other members under 40 in your family, starting with the baby.

The situation in Jones County and Hamlin, too, is changed, since vaccinations have been conducted here, through the Hamlin Memorial Hospital and other agencies. Occurrence of polio has been reduced, and untold suffering and possible loss of life has been averted by the inoculation programs.

Because of the signal success of the campaigns to provide inoculation for children of the area, especially those of the lower grades at school, should be an incentive to continue the program.

Small Town People

The other day we were reading a sports column by Jimmy Cannon, writing from New York, and it praised small town people. We were very much interested in the opinion expressed and agree most heartily.

Cannon noted that some fraudulently sophisticated city slickers lived under the assumption that small town people were to be ridiculed. We have always believed, as Cannon does, apparently that small town people are the backbone of this country.

It is in the average small town or city and in the rural areas that the real strength of this country lies. Of course, the cities have bright lights, many modern conveniences and other new fads, gadgets and entertainments that small town life may not have.

On the other hand, the advent of the automobile, television and modern conveniences powered by electricity have made it possible for those living in small towns and in rural areas to have many of the things which formerly were available only in the cities, and to enjoy the many benefits of non-city life as well.

As to the people themselves, we say that most small town people or rural folks have a sort of dignity of simplicity which is both wholesome and refreshing, and which is one of the characteristic traits of the typical American. The city slicker is not smarter than he is, merely slicker.

Humility Is Important

James McDougall, a young Scotchman and candidate for the ministry, was on his way to the pulpit to preach his first sermon. James had worked hard on that sermon, and he felt it was a good one. He knew he had a good voice, and he was confident of making an excellent impression. As he walked up the aisle and mounted the pulpit steps, the pride in his face and walk was evident to everyone in the church.

Old Robin Malair, the sexton, slowly shook his grizzled head. "I hae me doots o' you laddie," he said to himself. The sexton had seen many a candidate mount those steps, some in pride and some in humility. So now he looked upon the haughtiness of the young candidate with grave concern.

James McDougall made a miserable failure in the pulpit that day. And when his wretchedly delivered sermon was done, he walked slowly down the pulpit steps, head bowed and heart humbled. "Ay, laddie," said old Robin, "if ye ha' gone up as ye came down, ye'd come down as ye went!"—The King's Business

Compliance Plus

The story is about a woman but it well illustrates the difference between people in business who do just as they are told and those who add something to the doing.

A marriage had been arranged by Queen Victoria and the czar of Russia for Princess Alix of Hesse and Alexander, heir apparent to the throne of Russia. Only one last detail remained to be accomplished—a formal proposal of marriage by the young Russian prince and its acceptance by the young princess.

"My father, the czar," said the prince scupulously conforming to the ceremony of proposal, "has commanded me to offer you my hand and heart."

"My grandmother, the queen of England," replied the princess, with equal conformity, "has commanded me to accept your hand." But then, being first a woman and second a princess, she departed from the prescribed ritual to add, "Your heart I shall take myself." And history proves that she did.

Seven Out of Ten

Occasionally an institution or an enterprise grows so swiftly that statistics concerning it become out-of-date in a short time.

That has long been the case with voluntary health insurance—and still is. A set of figures that covers the situation today is obsolete tomorrow.

A recent estimate by the Health Insurance Council says that seven Americans out of 10 carry the insurance, and will be paid some \$3,000,000,000 in claims this year. Here is the breakdown: 118,000,000 people have hospital expense coverage; 103,000,000 surgical expense; and 67,000,000 have what is known as "regular" medical expense. There is also a very new form of insurance which protects against high cost, long duration illnesses of a catastrophic nature. And 10,000,000 people now have this.

Health insurance's progress has not been limited to tremendous increases in the number of people covered. The benefits provided have also been steadily and materially increased. The policy-holder has been given more and more for his dollar. One reason for that is that the business is highly competitive, with many insurance companies plus Blue Cross, Blue Shield and similar organizations all writing coverage.

The outstanding success of voluntary health insurance, in all its branches, proves that there is no need in this country for compulsory government insurance—or a state dominated medical system.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

TWENTY YEARS AGO.

Goings-on in the Hamlin community 20 years ago are reflected in the following news briefs, reproduced from the issue of The Hamlin Herald dated September 10, 1937:

Oil activity in the Hamlin territory is running high these days. Two big blocks of 5,900 acres and 4,100 have been completed west and east of town the promise much drilling within the next few months.

Annie Laurie Johnson will leave Friday for Coleman, where she will teach the coming school term.

Mr. and Mrs. A. A. Hackley returned Friday from a two-week vacation at Skovall Hot Wells near South Bend.

A fire that originated in the John Vaughan Welding Shop, did more than \$10,000 damage Monday. The shop was destroyed, and the George Howard Grocery and Bowman Shoe Shop also were damaged.

Because of the low water in the Hamlin Lakes, City Health Officer Dr. J. T. Bynum Sr. urges that all drinking water be boiled before consumption.

Information reached Hamlin on Wednesday that J. P. (Pat) Henry, formerly connected with the First National Bank here, had been killed in a car wreck near Hearne sometime Monday night.

TEN YEARS AGO.

Among items of interest in the Hamlin area 10 years ago were the following, taken from the issue of The Hamlin Herald dated September 12, 1947:

Contractor is this week finishing up the base on the widening and straightening project of Highway 180 west from Anson to the Fisher County line.

Large numbers of Hamlin young people are leaving this week for colleges and universities over the country.

Hamlin High School enrolled 190 students on the first two days of enrollment this week, according to school officials.

Lieutenant Norris Shira, son of Mr. and Mrs. Ezra Shira of Hamlin, has been named assistant line coach of the football team at West Point Army Academy.

Rev. John Osteen returned last week with his wife and Mrs. J. W. Ezell from a trip to Europe, during which they attended the Baptist World Alliance at Copenhagen, Denmark. Rev. Osteen, pastor of the First Baptist Church, will report on the trip at the Sunday services.

Several from Hamlin attended the Drake family reunion Sunday at Eastland.

FIVE YEARS AGO.

Local happenings in the Hamlin territory five years ago included the following condensed from the issue of The Hamlin Herald dated September 12, 1952:

Soaking rains that fell this week in the Hamlin area were of little benefit to row crops, but will help put season in the ground for grain. The 1.01 inch rain brings the year's total at Hamlin to 8.18 inches.

R. C. Ritchey, area foreman of the Texas Commerce producing department at Hamlin, was cited in a safety award at a regional meeting at Abilene Tuesday evening.

Clinics for mapping a Chamber of Commerce work program have been set for October 9 under auspices of the West Texas Chamber of Commerce.

Enrollment at Hamlin Schools for the new term is down 162 from last year's 1,020, declares Superintendent of Schools I. R. Huchingson.

City of Hamlin is asking for bids on the 21-mile water pipeline from Stamford to Hamlin, according to Mayor Mac Brundage.

ONE YEAR AGO.

Of interest in the Hamlin community a year ago were the news briefs below, reprinted from the issue of The Hamlin Herald dated September 13, 1956:

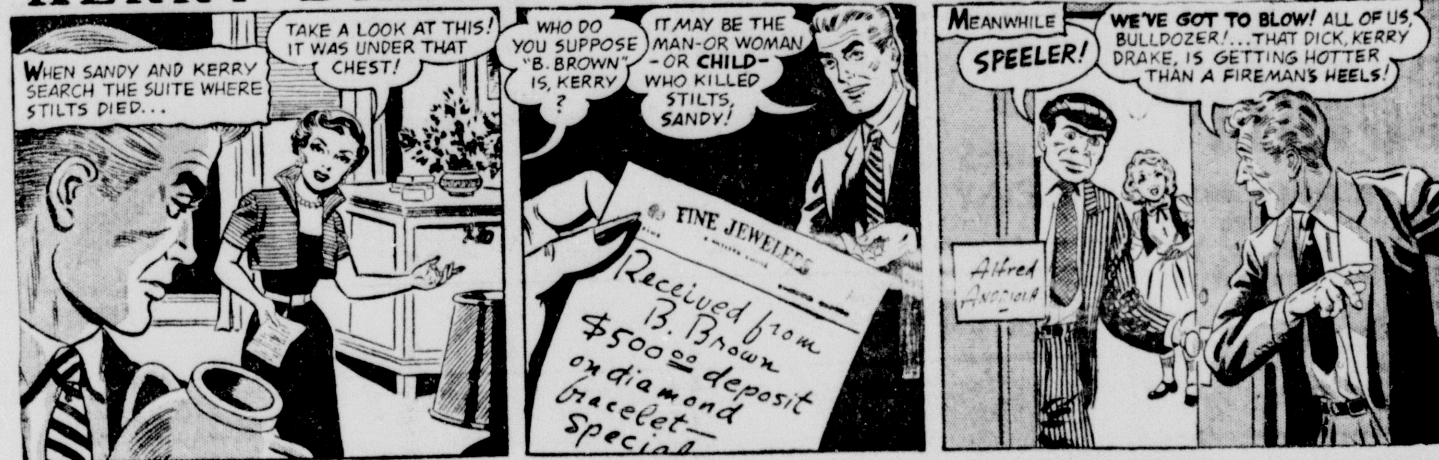

Payments to area farmers under the soil bank plan will begin within a few days. Nearly a million dollars will go to farmers of the region.

A back-to-church movement is being sponsored by the Hamlin Ministerial Alliance.

Ample Mexican labor is reported available for the area's light cotton harvest that has gotten underway.

Six new picnic tables have been installed in the Hamlin City Park under sponsorship of the Hamlin Business and Professional Women's Club.

Baptist Churches of County to Meet In Annual Session with Hamlin Group

"Onward, Upward, Outward" is to be the theme of the fifty-first annual session of the Jones County Baptist Association, which will convene next Thursday, September 19, at the Hamlin First Baptist Church. DALLAS-FORT WORTH TURNPIKE—This air view of the new \$58,000,000 Dallas-Fort Worth turnpike, six-lane divided super-highway linking the heart of Dallas with the heart of Fort Worth, a distance of 29.6 miles, is shown stretching west from a point just west of Grand Prairie.

Markets of Country Record Largest Runs of Season as Prices Hold Steady

Despite the fact that cattle numbers going to market in the Southwest continue to be below normal this early, the other parts of the nation are proceeding to cash fully normal numbers, states Ted Goudy, special market reporter for The Herald, in his weekly summary. His release continues: The nation's 12 major markets reported over 143,000 cattle and calves Monday, the largest of the fall season. Chicago with 25,000 and Omaha with 23,000 led in numbers.

Cattle prices were inclined to weakness at virtually all points and, despite relatively light numbers, prices at Fort Worth were lower on steers and cows. Fed steers closed 50 cents lower and cows closed 50 cents to \$1 off. Bulls were fully steady.

Slaughter calves and stocker and feeder classes of cattle continued to sell steady at Fort Worth.

Good and choice slaughter steers and yearlings sold from \$20 to \$22.50, and common and medium

offerings sold from \$13 to \$19. Fat cows drew \$12.50 to \$14, and canners and cutters sold from \$8 to \$12.50, with some shelly lightweights attracting bids below \$8. Bulls sold from \$11 to \$15.50.

Good and choice slaughter calves bulked at \$15.50 to \$20, and common and medium offerings sold from \$12.50 to \$17.50. Culls sold from \$10 to \$12. Stocker steer calves of good to choice grades sold from \$19 to \$23; heifer calves ranged from \$21 downward. Stocker steer yearlings sold mostly from \$20 downward, a few lighter weights to \$20.50.

There was a flurry of activity on stocker and feeder lambs at Fort Worth Monday, with some shearing type feeders getting to \$20, and the trade in general was 50 cents to \$1 higher on replacement lambs. Good to choice feeder lambs cashed at \$18 to \$20, those at the higher figure at 65 pounds. Some heavy feeders of near 80 pounds drew \$19.

Slaughter lambs were 50 cents and spots \$1 off. Yearlings and aged wethers were 50 cents to \$1 off. Old ewes held steady.

Good and choice slaughter lambs sold mostly from \$20 to \$21.50, with a few to \$22.50. Cull to medium slaughter lambs sold from \$13 to \$19. Stocker and feeder lambs cashed at \$17 to \$20, and good to choice yearling wethers sold from \$16.50 to \$17.50, with cull to medium sorts from \$12.50 to \$16. Aged wethers sold from \$10 to

Pied Pipers Light But Look Good, Declare Coaches

'Last Friday night's game with Hobbs hardly permitted a show of the strength of the Hamlin High School football team," declared Head Football Coach D. C. Andrews when he spoke at the Tuesday noon luncheon meeting of the Hamlin Lions Club at the oil mill guest house.

He and the other coaches, Jimmy Vaughn and Neil Laminack, gave some highlights of this year's grid prospects at the Hamlin Schools.

Vaughn, line coach at Hamlin High, declared that generally he had a green line from the experience standpoint, but that the boys are showing up well. The line is good on defense despite their light weight, he declared.

Andrews declared that his backfield boys likewise are small, but are fast and good ball handlers.

Laminack gave a preview of his B string boys at Hamlin High School, stating that they are shaping up nicely. They open the new season tonight (Thursday) at Spur, Laminack said.

Membership Chairman L. H. McBride presented a membership drive plan being sponsored by the Lions Club. Various prospects' names were assigned to the members present.

New yearbooks for the club were distributed by Tail Twister Joe League.

Besides the three coaches other guests at the Tuesday luncheon included S. L. Morgan of Portland, Maine, Carl Heinlan and Jimmy Spencer.

Special Price Set for Herald Subscriptions To College Students

To students only, The Hamlin Herald will be sent from now until June 1, 1958, for only \$1.50. This represents a considerable saving and is the "hottest" special this paper has ever offered to students.

The special offer is being made in view of the fact that many students this year will be financially "cramped" because of the doubling of tuition at all state schools and because of the "necessity" of receiving the Home Town Paper, which is a splendid tonic for severe cases of homesickness.

At this low rate parents can hardly afford to mail their own copies to their college students each week. Even the postage for 36 weeks would most more than \$2; the student would receive the paper late; and the parent would probably not have an opportunity to read his paper as thoroughly as he would like in an effort to forward the paper as soon as possible.

\$13.50. Slaughter ewes cashed at \$7.50 to \$9. Aged bucks sold around \$6.

Hogs and packing sows were generally steady at Fort Worth Monday, as good and choice butchers sold from \$21.50 to \$21.75, and some medium to good hogs cashed at \$18 to \$21.25. Sows drew \$17.50 to \$19.50.

Electric Cooking is COOL

It's truly an exciting thing when you have an electric kitchen. You feel so thoroughly modern with electricity to help with every task. Electricity heats and cooks the food, does the dishes, makes the toast and coffee and even runs the radio. It's dependable too! Night or day, whenever you like a meal, you have electricity to serve, ready and willing.

Cool, of course it's cool, because the heat cooks the food and not the cook. Electricity is so inexpensive you can use a lot of it.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ..OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it ... to prove its pulling power and ruggedness!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak ... shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.

Linda Carlton and Kenneth Barnett Repeat Wedding Vows in Friday Rites

Linda Alice Carlton and Kenneth Barnett of Midland repeated wedding vows Friday evening at 6:30 o'clock at the First Methodist Church in a double ring ceremony performed by the pastor, Rev. Edmund W. Robb.

The bride is the daughter of Mr. and Mrs. A. B. Carlton of Hamlin, and the bridegroom's parents are Mr. and Mrs. John Barnett also of Hamlin.

Palms and baskets of white gladiolus formed a background for the rituals, with tapers burning in tall candelabra at either side of the altar.

Mrs. Brad Rowland played a number of nuptial selections at the organ. Mrs. Willard Maberry sang "At Dawning" and "O Promise Me," accompanied by Mrs. Rowland.

Reception of Bride's Home Friday Follows Carlton-Barnett Rites

Following the Carlton-Barnett wedding rites Friday afternoon at the First Methodist Church, a reception was held at the home of the bride's parents, 413 North Central Avenue, for attendants.

The bride's table was covered with a yellow organdy cloth with ruffles reaching to the floor. Accenting the table were crystal candle holders holding yellow tapers. The bridesmaid's flowers also were used in decorations for the table.

Following the reception the young couple left for a honeymoon to Ruidoso, New Mexico, and other points. For traveling the bride wore a black and white two-piece tuxedo suit with black accessories. They will be at home at Midland after September 12.

North Central Church Adult Training Union Names New Officers

Members of the Phillips Training Union of the North Central Avenue Baptist Church met in the home of Mr. and Mrs. L. H. Clark September 3 for their business and social hour.

The session was opened with a song opened by Mrs. Bob Cary. Prayer was led by Bob Cary, and the devotional was given by Mrs. J. R. Rhoton Sr.

Officers were elected for the new church year beginning October 1. Named were: J. R. Rhoton Sr., president; Mrs. L. H. Clark, vice president; Mrs. D. A. Mullings, secretary; Willard Jones and Jack Talbert, Bible readers; leaders; Mrs. Ida Madden, reporter; Mrs. G. D. Phillips and Mrs. Anderson, missionary leaders; Mrs. Sid Clay and Mrs. Bob Cary Sr., social leaders; Mrs. Frank Martin and Eddie B. Hopper, group captains.

Home-made ice cream was served to eight members and three visitors.

Matron-of-honor was Mrs. Benjie Jones of Abilene, sister of the bride. Bridesmaids were Carolyn Barnett, sister of the bridegroom, and Annette Smith, friend. Best man was John Scott Barnett of Houston, brother of the bridegroom. Ushers were Joe Don Hymer and Thomas Newland, both of Hamlin.

Given in marriage by her father, the bride wore a dress of white diamond satin with chantilly lace forming an overskirt. The dress had long pointed sleeves, and a soft pleated V-neck highlighted the floor length dress. She wore a finger tip veil of illusion.

The matron-of-honor and bridesmaids wore yellow floor length taffeta dresses with net overskirts caught up with yellow satin roses. They wore yellow net dem-tails with crowns of daisies and carried arm bouquets of yellow chrysanthemums.

The bride is a graduate of Hamlin High School and attended McMurry College in Abilene. Young Barnett also is a HHS graduate and spent two years of service in the United States Marines. He is employed by Miami Oil Company at Midland, where the newlyweds will make their home.

Annual Picnic Given By McCauley Club For Their Families

Daily Food, Especially Breakfast, Has Decided Effect on Health of Persons

Health precautions: The food you eat becomes you!

Your general state of health can be a first line defense against illness, particularly now that the season of infectious diseases is upon us, according to the medical department of the Equitable Life Assurance Society. Our resistance to complications following colds, "flu" and other illnesses are influenced by how we eat, sleep, exercise and relax—before we become ill, points out Dr. Norvin C. Keifer, chief medical director of the Equitable.

It's true that food, for example, means different things to different people—but the net effect is the same: Food not only supplies the energy to keep us going, but it provides the building materials necessary to renew body tissues. In other words, good nutrition is mostly a matter of getting enough of the right foods—so you can do the things you want and need to do.

Because this is true, it's a good idea to take a look at your eating habits and those of your family every so often. Before the usual—or unusual—illnesses arrive is a good check-up time. Since your body needs all of the food essentials at all times, your regular diet should be built around: A serving of meat or fish a day; about four eggs a week, some cheese; at least two servings a day of vegetables, one dark green or yellow, either raw in salad or lightly cooked; two servings of fruit, including citrus fruit or juice; two glasses of milk each day or equivalent; and, some bread, potato or other grain products. Dessert, candy and beverages such as soft drinks and coffee are not essentials, but they are sometimes pleasant additions.

Other items in your diet can be as extensive or limited as you wish, provided you watch out for "spoon-in-mouth disease," leading to overweight! Underweight people should check with their doctors now, because too little weight

can also lead to lowered resistance to illness.

One fact about food that may not be over-emphasized is the value of a good solid breakfast. And a coffee break isn't breakfast! Many people find the demands of their job in the home or in the office take so much out of them, they feel tired by the end of the day. This is apt to be literally true, and especially so if they haven't had a good breakfast.

Many times an "all-gone" feeling in the late morning comes about something like this: When you get up in the morning you've been without food for a good many hours. You're empty of food, which your body requires as fuel to keep you going. And yet you are not likely to know it—at least not in the sense of feeling hungry. You seem to get along for a few hours on a sub-standard breakfast, but sometime around 11:00 o'clock you can't wait for lunch-time. Errors and mistakes in working are most apt to happen at this time.

To forestall fatigue, to reduce errors to assure yourself of a steady level, fortify yourself with the sure combination: A good night's sleep and a really basic breakfast, such as fruit, toast, eggs or breakfast meat, cereal and milk.

Remember, too, as you review your breakfast and other eating habits, to take a look at your ways of eating as well. The relaxed, pleasant meal . . . tempting, colorful dishes . . . good chewing to help digestion . . . good talk to increase your family's meal-time enjoyment—all are tools for better health.

Wesleyan Service Guild Meets in First Session of New Year

Members of the Wesleyan Service Guild of the First Methodist Church held their first meeting of the year Monday evening at the church.

Mrs. L. W. Shivers and Mrs. Joe Stephens served a salad plate to the guests at the beginning of the session.

During the business meeting Mrs. M. T. Hudson was elected coordinator. A budget was adopted for the year, including both the missionary pledge and a life membership.

Two new members and one guest were present, Mildred Young and Mrs. Lucille Snow, and Mrs. C. C. Ford of Pampa.

Mrs. Shivers, chairman of the yearbook committee, presented the goals for the year. The lesson, "Mission Cinerama," was led by Mrs. Stephens.

Maggie Seymore and Mrs. Zelma Hulse introduced the Bible study, "Disciples to Such a Lord."

Attendants included Mmes. E. M. Wilson, Myrtle Copeland, Stephens, Hudson, H. A. Johnston, Hulse, Snow, Earl Brown, Shivers, Ford, and Georgia Moore, Lulan Vaughan, Viola Avants, Seymore, Young, Pearl Hudson and Olea Avants.

GO FOR BROKE.

During vacation days some people stop trying to balance the budget and begin budgeting the balance.

Old Fashioned Settings and Program Feature Dinner Session of B&PW Club

Mrs. Jo P. vice president, was in charge of the program when a dinner meeting of the Hamlin Business and Professional Women's Club was held Tuesday evening in the Primary School cafeteria. Assisting were Mrs. Ruth Johnston and Mrs. Jewel Hargrove.

An old fashioned theme was carried out. Decorations consisted of stuff jars as vases, small miniature bonnets as favors, black old fashioned shoes cut out of black construction paper were used as menus. An exhibit of antiques was on display. An old fashioned dinner was served.

The program consisted of a brief history of Hamlin given by Mrs. Jo Riddle.

A style show featuring dresses dating back to 1800, the early twenties and other periods were modeled by the following: Gwendolyn Brown, Mrs. Duane Stephens, Mrs. Joe McCrary, Mrs. Jewel Hargrove, Mrs. Melvin Scott, Mrs. Evie Wilson and Brenda Hargrove.

Mrs. Bessie Miers furnished background music for the entertainment.

New members present were Mildred Young, Mrs. Billy Joe Wilson and Mrs. Frank Bayouth. Out-of-town guests were Mrs. Johnson and Mrs. Helen Sims.

Other guests of club members were Mrs. Bill Davis, Mrs. Monroe Tabb, Mrs. George Hermann, Mrs. Ira Smith, Brenda Hargrove, Mrs. Donna Sanderlin, Barbara Cheshier, Viola Avants, Mrs. Duane Stephens, Mrs. Melvin Scott and Mrs. Robert Fowler.

Eight members and two visitors were present, the visitors being Mrs. R. E. Ewing and Mrs. John Gibbons.

Fruit Desserts Topic At Thursday Meet of McCauley Women

Members of the McCauley Home Demonstration Club met last Thursday in the home of Mrs. Armond Smith. The county agent, Miss Kemp, met with the club and gave a demonstration on fruit desserts.

Roll call was answered by members giving "My Favorite Fruit Dessert." One new member was added to the club, Mrs. Lon Anderson. Mrs. J. P. Baker Sr. of Colorado Springs, Colorado, was a visitor.

Refreshments were served to Mmes. Luther Maberry, Glen Henderson, Frank Kemp, L. H. Boyd, Willie Fancher, Ray Maberry, Bill Roberson, Holman Boyd and A. A. Smith.

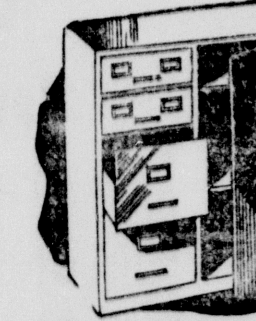

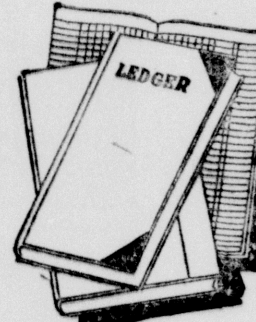

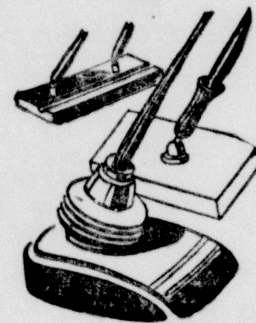

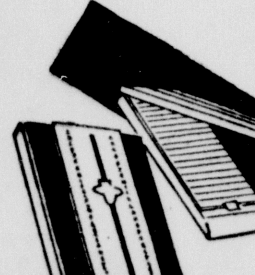

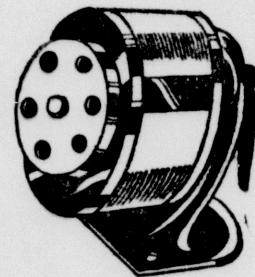

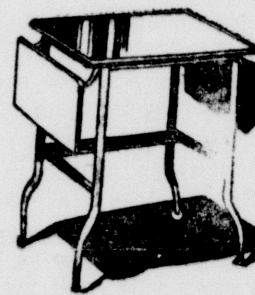

The group will meet with Mrs. Luther Maberry on September 19.

Spur Comes to Town Friday For First Real Test of Squad

Bulldogs Heavier Than Pipers But Locals Have Zip

Pied Pipers of Hamlin High School are scheduled to get down to real play tomorrow (Friday) night when they play host to the strong Spur Bulldogs in the second engagement of the year.

Going into the game with several pounds per man weight advantage, the Bulldogs will tangle with a fighting, determined crew, declare Coaches D. C. Andrews, Jimmy Vaughn and Neil Laminack, who say the Pied Pipers will make up in spirit some of their weight and experience disadvantages.

Spur last Friday lost to the Matador gridders by a 13 to 7 score. A Hamlin man who scouted the tilt says the Spur crew will be tough competition.

About the same line-up as started the Roby game will be on hand for Hamlin. Fullback Jimmy Bryson sustained an ankle injury in scrimmage first of the week, but Coach Andrews says he should be able to play Friday night.

Hamlin last year defeated the Spur Bulldogs to the tune of 18 to 12, following several defeats in a row suffered at the hands of the Dickens County boys.

Big delegations of supporters from both schools are expected to be in the stands at game time, 8:00 o'clock Friday night.

HARRISON IMPROVED.

Roy A. Harrison, Hamlin Herald employee who suffered a heart attack the middle of June, returned Wednesday from a several day stay in the Veterans Hospital at Big Spring. He is much improved, but still unable to return to work.

Eight-Game Football Scheduled Arranged For Junior High Crew

An eight-game schedule of football games faces the Hamlin Junior High School crew of Coach Harry Martin. It will be a double round robin play with a five-team conference loop.

With the first game slated next Tuesday night at Hamlin Pied Piper stadium, the complete schedule follows:

September 17—Albany at Hamlin at 7:30 o'clock.

September 24—Hamlin at Merkel at 7:30 o'clock.

October 1—Anson at Hamlin at 7:00 o'clock.

October 8—Hamlin at Rotan at 7:00 o'clock.

October 22—Hamlin at Albany at 7:00 o'clock.

October 29—Merkel at Hamlin at 7:00 o'clock.

November 5—Hamlin at Anson at 7:00 o'clock.

November 12—Rotan at Hamlin at 7:00 o'clock.

HHS B Stringers Play First Game At Spur Tonight

Coach Neil Laminack's B team of Hamlin High School will go to Spur this (Thursday) evening for their first game of the season against the B stringers of the Dickens County town. Game time 7:30 o'clock.

The B string has been undergoing strenuous work-outs in recent days and Laminack says the boys are shaping up well. He expects to field a fast and "heady" team tonight.

Probable starters for the first game will be: Tobe Shields, left end; David Bond, left tackle; Joe Craft, left guard; Cary Williams, center; Bobby Ellison, right guard; Gary Cooper, right tackle; Jimmy Hill, right end; Mike Bond, quarterback; Robert Brandon, left halfback; Wesley Cummings, fullback; Joe Ford, right halfback.

Others who probably will see service in the Spur tilt are Billy Hallmark, Charles Scott and Dudley Griggs.

It is not definitely known who invented gun powder or where or when it originated.

Junior High Crew Opens Season with Albany Tuesday

Coach Harry Martin is readying 28 eighth graders of Hamlin Junior High School for the coming football season. This year's crew will be defending the conference crown won by last year's team.

First game of the new season finds the Hamlin boys playing host next Tuesday evening to the Albany gridders. Game time will be 7:30 o'clock.

Conference members are Hamlin, Anson, Merkel, Albany and Rotan. Each team plays an eight-game schedule with all eight tilts as conference games.

An added attraction at home games this year will be the presence of the Junior High School Band under the direction of Mac Collier.

Roster of members of the Hamlin Junior High gridders follows:

Name	Position	Weight
Stanley Austin	left end	124
Curtis Carter	left tackle	152
Jerry Smith	left guard	129
Rayford Williams	center	120
Jesse Mendoza	right guard	136
Jerry Duncan	right tackle	122
Jimmy Cooper	right end	122
Wayne Baize	quarterback	101
Bill Richey	left halfback	105
Babe Shields	right halfback	106
Frankie Lee	fullback	160
Neal Branscum	tackle	141
Donald Brown	tackle	130
Max Cowan	quarterback	80
Lanny Ford	center	136
Mike Kelly	end	85
Raley Smith	guard	126
Johnny Stovall	tackle	125
Bobby Woolf	guard	98
Joe Yocham	back	90
Joe Orona	guard	110
Alvin Houghton	end	95

COOLEYS HAVE SIEGE.

Mr. and Mrs. R. H. Cooley went to Lubbock Sunday to visit with a brother, T. W. Jones, 79-year-old Lubbock man, who fell Saturday and broke his hip. He is in serious condition. On their return home Sunday night they stopped to visit a brother, B. K. Todley, at Tahoka, whose wife had just sustained a broken wrist. Monday they took a daughter to an Anson hospital for an operation.

Pied Pipers Take First Game 31-0 From Class A Roby

Hamlin High School Pied Pipers got off to a good start Friday night on the 1957 football season by giving the Class A Roby Lions a resounding 37 to 0 thumping on the Pied Piper field.

The Roby crew was outclassed in weight and playing, but Coach D. C. Andrews said the first real test of his charges will come Friday night when the Pipers meet the Spur Bulldogs.

Hamlin scored on its first play from scrimmage following a Roby punt. Quarterback Bill Murff gave a hand-off to Halfback Virgil Wilson who ran 31 yards for the pay dirt.

Late in the first quarter Wilson again went 21 yards for a touchdown on another hand-off, and Lanier Foster's booted extra point made the score 13 to 0.

Early in the second quarter End Charles Jenkins took a pass from Murff for the third marker. Later Halfback Richie Smith plunged over from the two-yard spot for the fourth touchdown.

Carl Max Weaver took a 17-yard pass from Foster to score and make the count 31 to 0.

Second stringers went into the fray in the second half. Fullback Jimmy Bryson scored from the four-yard area after a Roby fumble set up the tally.

Hamlin completed five to 15 pass tries while Roby was connecting for 61 yards on four of 15 aeryals. Hamlin rolled up 215 yards on the ground to 133 for the visitors. However, first downs were equal in the tilt, being 11 for each team.

Envelopes were not used for mailings purposes in this country until about 1845.

Three of Six District 4-AA Teams Drop Opening Games of New Grid Season

District 4-AA football teams did not look too well as a group in the opening games last Friday night, winning three and losing three of the tilts. Coleman beat Anson 15 to 6, Jacksboro nipped favorite Haskell 13 to 7, and Rotan lost to Archer City 28 to 6. On the other side of the ledger Stamford downed Quanah 19 to 9. Hamlin defeated Class A Roby 37 to 0, and Seymour trimmed the Crowell crew 25 to 13.

In taking the opening at Rotan last Friday night the Archer City Class A crew looked good as they rolled up 15 first downs to five for the Yellowhammers. Gary Pierce scored three of the Archer City markers and Hank Light accounted for the fourth, with all three extra points being made. Wilbur Taylor score in the final minutes on a three-yard plunge for Rotan.

State AA Champions, Stamford Bulldogs, looked impressive but not too powerful in their 25 to 6 win over Quanah on the Bulldog field. It was the Bulldogs' thirty-third straight victory. Charlie Helmer ran two acres for Stamford and Rufino Escobedo tallied the other two markers on passes from Fred Upshaw. Stamford racked up 19 first downs to nine for the visitors, and completed five of 10 passes to Quanah's connecting with two out of three.

Seymour's 25 to 13 victory over the Crowell crew showed up the Panthers as strong contenders in the district race this year.

Anson's Tigers had a tough customer in Coleman for the opening tilt, and they went down fighting to the tune of 20 to 12. The Bluecats rolled up 15 first downs to six for Anson, making 210 yards on rushing to 11 for the Tigers. Halfback Tommy Alsop scored

Football Personalities To Be Featured in New TV Programs

A new and different kind of program will be offered football fans in the Southwest beginning the week of September 16 when Humble Oil & Refining Company's "Football Review" begins its 13-week fall television schedule.

The new 30-minute program will temporarily replace Humble's "Texas in Review," and will extend telecasting area to include New Mexico.

Kern Tips, nationally known sportscaster and veteran Southwest Conference football announcer, will host the program. The new format will continue to include Tips' colorful description of football action from each week's Southwest Conference games and, in addition, will bring outstanding personalities before the cameras for behind-the-scenes stories and sidelights.

State Capitol NEWS

By Vern Sanford, Manager, Texas Press Association.

Austin.—Ben Jack Cage has more invitations than a pretty girl with a rich papa.

Cage's "dates" are with some half dozen groups who want to know what caused ICT Insurance Company to go under with multi-million-dollar losses. Cage was ICT manager until a year before its collapse.

After a grand jury session and lie detector test in Dallas, Cage moved to Austin. At the head of the line of questioners here is the Travis County grand jury. Other questioners include:

1. House general investigating committee.
2. Senate general investigating committee.
3. Renne Allred, attorney for the state liquidator, handling what remains of ICT.
4. Federal agents—from the postal inspection service and Securities Exchange Commission.

Governor Sounds Out Solons.—Governor Price Daniel has asked legislators or a "frank expression of their attitudes toward the proposed special session."

In an individual letter to each member, the governor outlined the session goals: 1) A lobby registration bill; 2) a bill requiring registration of those who represent others before state agencies; (3) a bill setting up a study on how to prevent spread of crime; and (4) legislation to develop a state master water plan.

No new taxes will be needed to finance any of these projects, or the session itself, the governor's letter contended.

Best guesses are that, barring stringent opposition from the lawmakers themselves, the session will be called for October 15.

Named to Tax Commission.—Three business experts from over the state will join with lawmakers in making a thorough study of the state and local tax structure.

Named by Governor Daniel to the Texas Tax Study Commission are Dr. John R. Stockton of Austin, director of the University of Texas Bureau of Business Research; John McKee of Dallas, executive in the Ford Motor Company's Dallas plant; Hush Loewenstern Sr., Amarillo real estate dealer.

Three senators and three representatives also will serve on the commission.

New Map Available.—A new map, loaded with historical and geographical information about the state of Texas, has just been published by the general land office.

Copies are available without charge. Schools are expected to find it particularly useful.

Markings include the lakes, mountains, rivers, dams, reservoirs, off-shore tidelands, state-owned lands, old cattle trails and stage-coach routes.

Retail Sales Up.—Retail sales in Texas during July increased two per cent over June, nine per cent over July of last year.

Latest figures from the University of Texas Bureau of Business Research show Austin merchants out in front compared with other cities. Their increases were seven per cent over June, 12 per cent over a year ago.

Other leaders: San Antonio, up 10 per cent from 1956; Dallas and Houston, each up nine per cent; El Paso, seven per cent; Fort Worth, two per cent.

There'll Be a Wait.—Owners of land in the path of new state highways face a delay before getting their money for it.

Under new law state pays half the cost of right-of-way buying for state roads. But since the money is to come from higher automobile license fees, the state won't have it until next year after people buy new plates.

In the most recent group of road building projects authorized by the State Highway Commission it was expressly stated that money for land buying would not be available until after March, 1958.

No Leniency for DWIs.—Motorists who lose their drivers' licenses for drunken driving need not expect to get them back before the suspension period is over.

State Board of Pardons and Paroles said it is no longer even making recommendations for early

return of licenses. Governor Daniel, who must approve the recommendations, has made it clear, said the board, that he doesn't favor leniency for DWI cases.

Law takes away license for six months on first conviction, a year on second conviction.

More Money for Schools.—State aid to Texas public schools has been raised \$2 per pupil. It's now at a record breaking \$80 per child.

State Board of Education upped the allocation after State Comptroller Robert S. Calvert reported a revenue estimate nearly \$4,000,000 more than his previous estimate.

Present outlook is that the state's bill for educating its record

1,923,849 pupils will be a whopping \$336,116,118.

Short Snorts.—Most of Texas' farmers and ranchers will go into the winter with the best supply of hay and feed in years, reports the U. S. Department of Agriculture.

Surge of back-to-school activities may push the number of job holders to the 3,000,000 mark says the Texas Employment Commission. July total was 2,998,000. School payrolls are expected to add 20,000 more and provide more business for retail and service industries.

Leon R. Graham, member of the Texas Education Agency staff, has been advanced to the post of assistant commissioner of education for administration. He replaces Bascom B. Hayes, who resigned to become superintendent of the Brazosport School District.

Choosing a site of the new state archives building has been delay-

ed, reports Representative Vernon J. Stewart, chairman of the selection committee. Legislature authorized the building last session, but provided no money to survey property for a site.

Watson Wise of Tyler will serve as chairman for Texas' observance of United Nations Day, the governor's office announced.

Dr. Willis Sutton to Be Here October 30

Dr. Willis A. Sutton, outstanding educator of the nation, and former superintendent of schools at Atlanta, Georgia, will again come to Hamlin for a series of lectures and conferences with high school students and school officials, on October 30, it is announced by C. F. Cook, superintendent of schools.

Dr. Sutton will speak at a joint meeting of the Hamlin Rotary and Lions Clubs at the oil mill guest house Wednesday at noon.

Rotary Club Hears Coaches Review Status of Football

Although most of the regulars of last year's Hamlin High School football squad were lost through graduation, the 1957 edition of the Pied Pipers is shaping up well, declared the three coaches of the school when they spoke at the Wednesday noon luncheon of Hamlin Rotary Club at the oil mill guest house.

Head Football Coach D. C. Andrews gave a run-down on the general outlook for the team, declaring the boys had a good spirit that would offset to some degree their lack of weight. Line Coach Jimmy Vaughn said the line is green, but is hard working. B Team Coach Neil Laminack declared that his charges are shap-

ing into a formidable aggregation that will open the season Thursday night at Spur.

Thirtieth anniversary celebration of the Rotary Club will be conducted at a ladies' night affair on the evening of September 25, it was announced by Chairman Tommy Davis of the arrangements committee. Lucille Gerber, outstanding reader of Abilene, will be featured at the affair. No day time meeting will be held on September 25, regular meeting time of the club, it was announced by President Gene Prewitt.

Besides the three coaches, other guest at the Wednesday luncheon was Rollis Merritt of Abilene.

Primary Teachers Go To Area Workshops

Several teachers of the Hamlin Primary School have attended workshops for teachers during the past several weeks, it was noted by Mrs. Fred C. Smith, Primary School principal.

Mrs. Ray Hennington attended a one-day clinic at Stamford. Mrs. Joe Norton attended a reading workshop at McMurry College in Abilene. Mrs. Maude Elkins was a student for six weeks at LeCoe Rhine College at Hickory, North Carolina.

Other teachers had attended a workshop early in the summer at Sul Ross State College at Alpine.

Scores of Hamlin Young People Begin Trek Back to Colleges of Four States

Scores of Hamlin area young people have begun their trek back to college to pursue their higher education. They are going to all the major state schools, and four out-of-state colleges will number local young people among their student bodies this year.

About 80 per cent of last year's graduates of Hamlin High School are entering college, a survey of the senior list reveals.

The Herald probably is overlooking some college-bound young people, but this is the list we were able to compile at press time. They are listed by schools.

Sul Ross State College at Alpine—Don Eddie Adair, Muri Den Smith, Clarence Parker, Bobby Beall and Lavere Wilson.

North Texas State College at Denton—Joe Cowan, Hazel Crew, Annette Smith, Lee Maberry, Mr. and Mrs. David Cowan, Kevon Rogers, Reba Roland, Lawrence Cook, Peggy Briscoe and Benny Watson.

McMurry College at Abilene—

James Crowley, Douglas Ford, Ronnie Parker, Dee Prewitt, James Boyd, Ken Hewett and Laveta French.

Texas Technological College at Lubbock—Jay Cunningham, Steve Reynolds, George Huing, Dwight Wallace, Davey Weaver, Cel Albritton, Janis Crowley, Charlotte Wallace, Mr. and Mrs. Guy Weaver, Angela Malouf, Clifford Eoff, Dennis Johnson, Clark Hewett, and Don Crowley.

Texas Christian University at Fort Worth—Lane Fletcher, Mary Ann Willbanks, Robert Fletcher and Elkie Kelly.

Abilene Christian College at Abilene—Jerry Fred Jay, Mac Reid, Marylyn Fletcher, Rodney Spaulding, Judy Parker, Mr. and Mrs. James Eddie Jay and Melvin Hames.

Hardin-Simmons University at Abilene—Gene Steele and Barbara Durham.

Tarleton State College at Stephenville—Sonny Winegart, Fayma Downey, Jackie Drummond

Former Hamlin Carpenter's Rites Held in Arkansas

Final rites for Joseph William Muncy, 87-year-old former Hamlin resident, were held Friday afternoon, August 30, at Smackover, Arkansas, at the Rumph Mortuary. Muncy died Wednesday, August 28, at 6:00 p. m. at the home of a daughter, Mrs. W. C. McBride, in Smackover.

Rev. Harold D. Sadler officiated at the services. Burial was in Smackover Cemetery.

Palbearers were Ralph Warr, N. T. Rutledge, Ralph Haynie, H. L. Tirk, Van Thompson, J. S. Fulmer and A. W. Estes.

Muncy suffered a light stroke a few days before his death, but was recovering when he developed pneumonia a few hours before his passing. He was the husband of the late Grace Minerva Dodson Muncy, who died in 1918.

A carpenter and building contractor, Muncy had made his home in Hamlin for 35 years before going to Hartlingen to make

Boys Outnumber Girls At High School So Far

Boys outnumber the girls enrolled at Hamlin High School, 120 to 113, according to tabulations released this week by B. V. Newberry, high school principal. Total enrollment in the four classification is 233, which is up one from last year's enrollment at this time of the year.

Enrollments by classes follow:

Seniors—Boys, 21; girls, 21; total 42.

Juniors—Boys, 34; girls, 30; total 64.

Sophomores—Boys, 32; girls, 29; total 61.

Freshmen—Boys, 33; girls, 33; total 66.

his home with a daughter. They moved to Smackover in June. He was born in Pennington Gap, Virginia, on February 22, 1870.

In addition to Mrs. McBride, he is survived by another daughter, Mrs. J. T. Reynolds of Smackover; one son, William T. Muncy of Fresno, California; three grandchildren, Chris and Linda Reynolds of Smackover and Douglas Muncy of Fresno.

City Sunday School Attendance Gains Over Previous Week

Attendance at Hamlin Sunday Schools took a decided jump Sunday over the previous week, a tabulation by The Herald shows. The 1,342 total for the 13 reporting churches was 120 more than the previous week, but only six more than the year ago figure.

Attendance totals, by churches, for September 8, September 1 and a year ago follow:

Eddie B. Hoppers Have Sons at Home

At home for several days' visit with their parents, Mr. and Mrs. Eddie B. Hopper have been two of their sons. Private Bobby R. Hopper, who has just completed a 12-day leave from Fort Riley, Kansas, has reported back to the base for further training.

Another son, Hub Hopper, who has been employed in a barber shop at Waco, has been visiting. Hub will remain at Hamlin, where he has accepted employment at Imperial Barber Shop.

The Hoppers have another son who is serving with the U. S. Army in Germany.

VISIT FROM FORT WORTH. Mrs. Loy D. Fry Jr. and daughters, Margaret Ann and Martha Kay, of Fort Worth arrived last Wednesday to visit for several days with Loy D. Fry Sr. and other relatives in the Hamlin section.
